**ARTICLE 4 - GEOGRAPHIC SCOPE OF THE AGREEMENT**

Cruise Lines International Association, Inc. (“CLIA”) defines its scope by reference to the market served rather than the geographical location of the voyages concerned. Any voyage in respect of which a marketing effort is made in North America falls within CLIA's scope. It is understood that effectiveness and/or approval of this Agreement by the Federal Maritime Commission (the “FMC”) pursuant to the Shipping Act, 1984, and the Shipping Act, 1916, extends only to activities in connection with voyages on which passengers embark or disembark at a United States port.<sup>42</sup>

**ARTICLE 5 - AGREEMENT AUTHORITY**

The parties to this Agreement agree:

A. CLIA will --

(1) Provide a forum where companies engaged in the worldwide operation and marketing of the cruise and passenger liner industry in North America can meet and discuss matters of common interest and develop and agree on activities aimed at promoting safe and secure cruise ship operations and marketing the concept of shipboard holidays;

(2) Represent the Members' views in dealings with conferences, associations and/or agencies of the United States, local or foreign governments, including international organizations, U.S. federal, state and local legislative bodies, executive and regulatory agencies and departments, licensing and taxing authorities, ports and terminals authorities in matters relating to marketing, sales and operation of passenger liner or cruise vessels, passenger cruises and their operators, including commercial, safety, health, environmental, security and other national or international policy issues;

(3) Represent the Members in dealing with international regulatory organizations, including regulatory bodies existing pursuant to and interpreting and enforcing multinational conventions, treaties and other instruments;

(4) Represent the Members in dealing with non-governmental organizations, business corporations and private industry concerns, trade associations and other similar entities in matters relating to the marketing and operation of cruises, operation of cruise vessels and associated activities;

<sup>42</sup> The terms of this Agreement and the filing of it with the Federal Maritime Commission (“FMC”) do not and are not intended to bring within the scope of the Shipping Act of 1984, as amended (including the antitrust exemption conferred by the Act), or the jurisdiction of the FMC, any activities hereunder relating to the carriage of passengers in the U.S. domestic trades or to service wholly between foreign ports or points or parties that are not subject to the jurisdiction of the FMC.
