The statement shall be distributed promptly to each Party of the Agreement.

12.2 A shipper's request or complaint shall be considered promptly by the Agreement, and the Agreement shall promptly notify the shipper of its decision on the request or complaint.

12.3 The procedures for filing shippers' requests and complaints shall be set forth in the Agreement tariff.

12.4 The Agreement may from time to time negotiate with Government or private shippers, corporations, boards, shipper councils, or other persons or organizations to the extent

required or permitted by applicable law. Such persons or organizations may submit written statements to the Agreement Chairman requesting a meeting or consultation, and setting forth matters to be addressed. effective date announced by the Party taking independent action, by providing written notice of such intention to the Agreement Chairman or his representative. If another Party decides to adopt the independent rate or service item, then the Chairman or his representative shall publish the rate or service item on behalf of that Party.

13.3 Except as permitted by paragraph 13.2 of this Article, no Party may alter or amend the terms of any service or rate item on which independent action may be taken, whether or not such item has been or is the subject of independent action, and whether or not that action has become effective, without first providing notice in accordance with paragraph 13.1 of this Article.

13.4 Upon receipt of a Party's notice of independent action, the Chairman or his representative shall promptly advise all Parties of the notice and its contents. At any time before or after a Party has given notice of independent action, and at any time before or after an independent action becomes effective, the Parties may discuss the proposed or effective independent action for the purpose of reaching an agreement or compromise and may take any action in response to the announced independent action, including action to implement any agreement or compromise; provided, however, that any matter decided by the Parties shall be in accordance with the terms of this Agreement

14.1 The Parties may together negotiate and enter into joint service contracts, including time-volume and time-revenue contracts (hereinafter jointly referred to as "joint service contracts"), with individual shippers, shippers' associations, shippers' boards or groups authorized by law and/or other groups of shippers. Prior to the execution of any joint service contract by the Parties, any Party may elect not to participate, or to limit its participation therein, in which event the service contract shall so specify. Notwithstanding any other provision of this Agreement, no Party may exercise independent action to deviate, in any respect whatsoever, from the terms and conditions of any

joint service contract which has been entered into by the Parties. Each joint service contract entered into by the Agreement shall be filed in accordance with such rules and regulations as the U.S. Federal Maritime Commission may from time to time prescribe and registered, if necessary, under the Trade Practices Act 1974 (Cth).

14.2 Any Party, either individually or jointly with any other Party or Parties, may negotiate, offer and/or enter into a service contract for the transportation of cargo in the trade (any such contract entered into by a single Party or jointly by multiple Parties is hereinafter referred to as an "individual service contract"). The Parties are authorized, but not required, to discuss and agree upon any and all terms of their respective individual service contracts and to exchange and discuss any and all information and data concerning their respective individual service contracts. The Parties are authorized to discuss, agree upon, adopt, revise and implement voluntary guidelines relating to the terms and procedures of individual service contracts. Any such voluntary guidelines adopted by the Parties shall explicitly state that the Parties have the right not to follow the guidelines and shall be submitted confidentially to the Federal Maritime Commission.

ARTICLE 15 -- CONFIDENTIALITY

Except as may be required under the applicable laws or as otherwise agreed between the Parties, no Party shall disclose to any person, except its own representatives and its own or this Agreement's legal representatives, the view or position of any Party on any matter considered under this Agreement.

ARTICLE 16 -- EXPENSES

Each Party will bear the expenses of its own representatives in connection with this Agreement. All other expenses incurred in the carrying out of this Agreement, including any fees or costs of consultants or other service, will be apportioned as the Parties from time to time agree, and in default of agreement in equal shares.

ARTICLE 17 -- ARBITRATION

17.1 Subject to Article 17.5, a Party to this Agreement may refer any question as to the meaning or effect of this Agreement to arbitration by a sole arbitrator in accordance with and subject to this Article and (to the extent that this Article makes no provision) to the UNCITRAL Arbitration Rules. The arbitrator's decision shall be final and is not subject to appeal.

17.2 In determining any such dispute the arbitrator shall apply the laws of New South Wales.

17.3 The appointing and administering body shall be the Australian Chamber of Shipping. The language of the arbitration shall be English and the place of arbitration shall be Sydney in the State of New South Wales.

17.4 The following rules apply to the arbitration:

(a) Except by agreement of the Parties to the arbitration there will be no prehearing discovery.

(b) The arbitrator shall decide the matter only on the basis of evidence submitted to him, which evidence shall be supplied to the other Parties to the arbitration, who shall be given the opportunity to submit evidence in rebuttal, explanation or mitigation, and to cross-examine any witness.

17.5 Article 17.1 does not apply:

(a) If the Parties to the dispute or difference agree in writing that it is to be resolved by some other means, and

(b) (where the agreed means involve arbitration or other proceedings outside Australia) if the Australian Minister administering the Trade Practices Act 1974 (Cth) also agrees in writing.

17.6 This Article excludes any right of appeal that a Party would otherwise have under Part V of the Commercial Arbitration Act 1984 (NSW), to the full extent permitted by that Act.

17.7 This Article does not affect the jurisdiction of the Federal Maritime Commission under the U.S. Shipping Act of 1984.

ARTICLE 18 -- MISCELLANEOUS

In this Agreement "applicable law" means the U.S. Shipping Act 1984, and the Australian Trade Practices Act 1974 (Cth). This Agreement shall be binding upon and inure to the benefit of only the Parties hereto.
