4 – GEOGRAPHIC SCOPE

(a) The geographic scope of this Agreement is worldwide and shall extend to the carriage of cargo via any combination of direct, transshipment or intermodal service between ports and points in all countries.

(b) The carrier members shall comply with the requirements of each country having jurisdiction over each trade covered by this Agreement. However, the signing of this Agreement or any supplemental agreement by any carrier member is not intended to confer jurisdiction over the carrier member by any country not having jurisdiction over the trades served by that carrier member, nor is the filing of this Agreement or any supplemental agreement or the taking of any other action in any country intended to expand the jurisdiction on that country to trades not otherwise within that country's jurisdiction.

(c) Each carrier member shall keep the Council apprised of all trades in which it is engaged, and prior to participating in this Agreement with respect to any new trade it shall provide reasonable advance notice to the Council that it intends to serve such trade.

ARTICLE 5 – AGREEMENT AUTHORITY

(a) The carrier members shall have authority to discuss and exchange information relating to a broad range of factors and sector specific topics, which includes matters that are within the Purpose of the Council (as specified in Article 2), environmental controls, governmental regulations, technological developments, fuel and energy requirements, monetary and fiscal policies, government-controlled fleets, and governmental programs which affect maritime activities. This Agreement, as well as any subjects or actions that may require separate or supplemental agreement(s), shall be non-binding, voluntary agreements (except with respect to administrative matters). All discussions, information exchanges and other activities conducted under this Agreement shall be subject to and in accordance with all applicable laws of any country having jurisdiction over the applicable trade(s).

(b) The Council may also consult with Governments, inter-Governmental bodies and other groups or organizations (as appropriate) with respect to the subjects covered by this Agreement.

(b) An Executive Committee ("Committee"), consisting of not less than four (4) nor more than twenty-five percent (25%) of the Council's carrier members shall be established to direct the affairs of the Council. Each member of the Executive Committee shall be elected by majority vote of the carrier members and shall hold office throughout the duration of this Agreement or for a term that may be established by the Council. The Committee shall schedule and arrange for Council meetings, establish the agenda for all meetings, and approve and arrange payment of any expenses under this Agreement.

(c) A Chairman of the Executive Committee shall be elected by the vote of a majority of the Council. The Chairman may call meetings of the Council and Executive Committee, shall preside at such meetings, and shall represent the Council before Governmental and other bodies.

This initial contribution shall be paid by a carrier member upon the effective date of their membership with the Council and at the time of any readmission. This initial contribution shall not be refunded in the event of the carrier member's withdrawal or expulsion from the Council.
