Nothing in this Agreement shall be construed to bind any party hereto to any new understanding or agreement reached under this Agreement. Any new understanding or agreement shall be binding only upon those parties that individually subscribe to the new understanding or agreement.

The terms of this Agreement may be amended or modified by majority vote of the members of the Carrier Class and the members of the MTO Class. Notwithstanding any other provisions of this Agreement to the contrary, the Chairman shall have no authority to break any voting deadlock between the Carrier Class and the MTO Class concerning termination, modifications or amendments to this Agreement.
