(a) Any and all differences and disputes of whatsoever nature arising out of this Agreement which cannot be resolved amicably shall be put to arbitration in the City of New York pursuant to the Rules of the Society of Maritime Arbitrators, Inc., New York (“SMA”) before a panel of three arbitrators, unless the parties to the arbitration otherwise agree. The decision of any two of the three arbitrators on any point or points shall be final and binding.

(b) Unless the parties to the arbitration otherwise agree, the arbitrators shall be appointed as follows:

(i) If there are but two parties to the arbitration, each party shall appoint one arbitrator and the two arbitrators so chosen shall appoint a third arbitrator. If the two arbitrators fail to agree on the appointment of a third arbitrator, either party may apply to a court of competent jurisdiction to appoint the third arbitrator.

(ii) If there are more than two parties to the arbitration, the complaining
party or parties shall submit a written request, in which the party or parties complained against shall be given the opportunity to join, to the President of the SMA for a list of arbitrators, the number of which shall be three times the number of parties to the arbitration plus an additional three, and all of which shall be current members of the SMA. (d) The arbitrators may grant any relief which they, or a majority of them, deem just and equitable and within the scope of the Agreement, including but not limited to specific performance. Judgment may be entered upon any award made hereunder in any court having jurisdiction in the premises.

(e) Notwithstanding anything to the contrary in the Agreement or in law, any Party shall have the right to apply to any Court of competent jurisdiction to obtain any pre-judgment remedy to which it may be entitled against another.

13.1 All disputes or differences arising out of or in connection with this Agreement which cannot be amicably resolved shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof, save to the extent necessary to give effect to the provisions of this Article 13. The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced, unless when the amount in dispute is less than US$100,000, in which case the LMAA Small Claim Procedure shall apply. The reference shall be to three arbitrators and the provisions of English law and the LMAA Terms shall apply to their appointment. For the avoidance of doubt each party will be responsible for the fees of its arbitrator. Nothing herein shall prevent the Parties agreeing in writing to vary these provisions to provide for the appointment of a sole arbitrator.

13.2 Notwithstanding the above, the Parties may agree at any time to refer to mediation any difference and/or dispute arising out of or in connection with this Agreement. In the case of a dispute or difference in respect of which arbitration has been commenced, the following shall apply:

refer the dispute or part of the dispute to mediation by service on the other Party to the reference of a written notice (the "Mediation Notice") calling on the other to agree to mediation.

   ii. The other party to the reference shall thereupon within 14 calendar days of receipt of the Mediation Notice confirm that they agree to mediation, in which case the Parties to the reference shall thereafter agree a mediator within a further 14 calendar days, failing which on the application of any party to the reference a mediator will be appointed promptly by the Arbitration Tribunal ("the Tribunal") or such person as the Tribunal may designate for that purpose. The mediation shall be conducted in such place and in accordance with such procedure and on such terms as the parties to the reference may agree or, in the event of disagreement, as may be set by the mediator.

   iii. If any party to the reference does not agree to mediate, that fact may be brought to the attention of the Tribunal and may be taken into account by the Tribunal when allocating the costs of the arbitration as between the parties to the reference.

   iv. The mediation shall not affect the right of a party to the reference to seek such relief or take such steps as it considers necessary to protect its interest.

   v. Each party to the reference may advise the Tribunal that they have agreed to mediation. The arbitration procedure shall continue during the conduct of the mediation but the Tribunal may take the mediation timetable into account when setting the timetable for steps in the arbitration.

   vi. Unless otherwise agreed or specified in the mediation terms, each party to the reference shall bear its own costs incurred in the mediation and the parties to the reference shall share equally the mediator's costs and expenses.

   vii. The mediation process shall be without prejudice and confidential and no information or documents disclosed during it shall be revealed to the Tribunal except to the extent that they are disclosable under the law.
