Commercial General Liability insurance shall be provided on Insurance Services Office (ISO) CGL Form No. CG 00 01 or the equivalent, including provisions for defense of additional insureds and defense costs in addition to limits. Policy limits shall be no less than one million dollars ($1,000,000) per occurrence for all coverage provided and two million dollars ($2,000,000) general aggregate. The policy shall not limit coverage for the additional insured to "ongoing operations" or in any way exclude coverage for completed operations. Coverage shall be included on behalf of the insured for claims arising out of the actions of independent contractors. The policy shall contain no provisions or endorsements limiting coverage for contractual liability or third party over action claims, and defense costs shall be excess of limits. If Consultant is using subcontractors the policy must include work performed "by or on behalf" of the Consultant. Coverage shall apply on a primary noncontributing basis in relation to any other insurance or self-insurance, primary or excess, available to City or any employee or agent of City. Coverage shall not be limited to the vicarious liability or supervisory role of any additional insured. Coverage shall not exclude contractual liability, restrict coverage to the sole liability of Consultant or contain any other exclusion contrary to this contract.

If this coverage is written on a claims-made basis, the retroactive date shall precede the effective date of this contract with the City and continuous coverage will be maintained or an extended reporting period will be exercised for a period of at least three (3) years from termination or expiration of this contract.
The policy of insurance required above shall be endorsed as follows:

Additional Insured: The City of Long Beach, its Board of Harbor Commissioners, employees and agents shall be added as additional insured on a primary non-contributing basis with regard to liability and defense of suits or claims arising from the operations and activities performed by or on behalf of the Named Insured using ISO Forms CG 20 10 (2004) and CG 20 37 (2004) or their equivalent. Additional Insured endorsements shall not: 1) be limited to "on-going operations", 2) exclude "Contractual Liability", 3) restrict coverage to the sole liability of the contractor, or 4) contain any other exclusion contrary to this contract.

Cancellation: The policy shall not be cancelled or the coverage reduced by endorsement until a thirty (30) day written notice of cancellation has been served upon the Executive Director of the Harbor, except ten (10) days shall be allowed for nonpayment of premium.

**Business Automobile Insurance:**

Automobile Liability Insurance shall be written on ISO Business Auto Coverage Form CA 00 01 or the equivalent, including symbol (1) (any Auto). Limit shall be no less than five hundred thousand dollars ($500,000) combined single limit per accident. Coverage shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance, primary or excess, available to City or any employee or agent of City. If Consultant does not own any vehicles, this requirement may be satisfied by a non-owned vehicle endorsement to the general and umbrella liability policies provided that a separate policy limit is provided for this coverage as required by this contract.

The policy of insurance required above shall be endorsed as follows:
Additional Insured: The City of Long Beach, its Board of Harbor Commissioners, employees and agents shall be added as additional insured on a primary and non-contributory basis with regard to liability and defense of suits or claims arising from the operations and activities performed by or on behalf of the Named Insured. Additional Insured endorsements shall not: 1) be limited to "on-going operations", 2) exclude "Contractual Liability", 3) restrict coverage to the sole liability of the contractor, or 4) contain any other exclusion contrary to this contract.

Cancellation: The policy shall not be cancelled or the coverage reduced by endorsement until a thirty (30) day written notice of cancellation has been served upon the Executive Director of the Harbor, except ten (10) days shall be allowed for non-payment of premium.

Workers' Compensation:

Workers' Compensation Insurance, as required by the State of California, and Employer's Liability Insurance with a limit of not less than one million dollars ($1,000,000) per accident for bodily injury and disease. The policy of insurance required above shall be endorsed, as follows:

Waiver of Subrogation: A waiver of subrogation stating that the insurer waives all rights of subrogation against the City, its Board of Harbor Commissioners, employees and agents.

Cancellation: The policy shall not be cancelled or the coverage reduced until a thirty (30) day written notice of cancellation has been served upon the Executive Director of the Harbor, except ten (10) days shall be allowed for non-payment of premium.
Deductible/Self-Insured Retention:

Any deductible or self-insured retention must be approved in writing by the Executive Director and shall protect the City, its Board of Harbor Commissioners, agents and employees in the same manner and to the same extent as they would have been protected had the policy or policies not contained a deductible or self-insured retention. Any deductible or self-insured retention must be disclosed on the insurance documents provided and must be approved in writing in accordance with City insurance guidelines.

Evidence of Insurance:

The Consultant, concurrently with the execution of this contract, and as a condition precedent to the effectiveness of this contract, shall, for all insurance policies written on an occurrence basis, deliver each required certificate of insurance, additional insured endorsement, notice of cancellation and waiver of subrogation containing the terms and conditions required by this contract to the Executive Director for approval as to sufficiency and to the City Attorney for approval as to form. The Port reserves the right to require complete certified copies of policies. For insurance policies written on a claims-made basis, a certified copy of the policy that complies with the terms and conditions of this contract or Port Special Endorsement form shall be provided.

At least fifteen (15) days prior to the expiration of any such policy, evidence of insurance showing that such insurance has been renewed or extended shall be filed with the Executive Director. If such coverage is cancelled or reduced, Consultant shall, within ten (10) days after receipt of written notice of such cancellation or reduction of coverage, file with the Executive Director evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies.
Failure to Maintain Coverage:

Consultant agrees to suspend and cease all operations hereunder during such period of time as the required insurance coverage is not in effect and evidence of insurance has not been approved by the City. The City shall have the right to withhold any payment due Consultant until Consultant has fully complied with the insurance provisions of this contract.

Acceptability of Insurers:

Each such policy shall be from a company or companies with a current A.M. Best's rating of no less than A:VII, and authorized to do business in the State of California or otherwise allowed to place insurance through surplus line brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing in accordance with the City insurance guidelines.

Contractual Liability:

The coverage provided shall apply to the obligations assumed by the Consultant under the indemnity provisions of this contract but this insurance provision in no way limits the indemnity provisions and the indemnity provisions in no way limit this insurance provision.
