a) The tariff may contain rules, regulations and practices prohibiting the loading of trucks at the piers or other waterfront terminals in said Port by anyone other than the operators of said piers or waterfront terminals.

b) No change in any such tariffs shall become effective until after the expiration of thirty (30) days from the publication and issuance thereof, unless good cause exists for change on shorter notice. In all cases where a change becomes effective in less than the said thirty (30) days, the Federal Maritime Commission shall be advised in writing of the reasons therefor.

c) All such tariffs shall contain a detailed statement describing the procedures by which shippers' requests and complaints (as said phrase is defined by the Federal Maritime Commission) are to be received and adjudicated.

5. Any person, firm or corporation coming within the definition of the parties hereto as set forth in the first paragraph of this Agreement may, upon making written application therefor and upon subscription of a counterpart of this Agreement, be admitted as a party to this Agreement, with all of the rights, privileges and obligations of all of the other parties hereto. The right to become a party hereto shall not be denied to any applicant therefor without just and reasonable cause. Prompt advice of any such denial, together with a full statement of the reasons therefor, shall be furnished to the governmental agency charged with the administration of Section 15 of the Shipping Act, 1916. Every application for admission to participation in this Agreement shall be acted upon promptly and no addition of a party to this Agreement shall become effective until written advice thereof has been sent by the Agent to such governmental agency.

6. In the event any party hereto is charged with any violation of this Agreement and the parties are unable to voluntarily compose their differences, any party to this Agreement may in writing, addressed to the Agent, request that the dispute be submitted for decision by arbitration. An Arbitration Committee of three persons, to be selected by the Agent from among the parties to this Agreement, but excluding the charging party and the party charged, to whom all data requested in connection with the matter in dispute shall be made available, shall determine the issues involved, and any decision rendered by a majority of said Committee shall be final and binding on all parties hereto, and shall be circulated for the information of all such parties. Such arbitration decision, shall, if the charging party has been damaged by the violation, include the imposition of liquidated damages against the offending party to be paid to the charging party. Failure to pay promptly any liquidated damages that may be imposed or failure to comply with any other decision of the Arbitration Committee shall subject the offending party
to expulsion from participation in, and from continuing as a party to, this Agreement.

7. The scope, areas and undertakings of joint activities shall be prescribed and determined by and at meetings of the parties (hereinafter referred to as "Conference Meetings"). In connection therewith, the term "Conference Meetings" shall also include the taking of a telephone poll of all parties hereto by the Agent or other authorized person.

b) A quorum shall consist of the representatives of a majority of the parties hereto. Action taken at a Conference meeting shall be determined by a majority of those present at such meeting, except as otherwise specifically set forth in this Agreement.

c) The Agent, or other authorized person, shall preside over all Conference meetings and he shall arrange for the keeping of a minute record of each such meeting. In addition, the Agent, or other authorized person, shall cause to be made, and to be retained for a period of at least two years, a record of the vote of each individual member, by name, on each
question presented at Conference meetings.

d) Any expenses incurred in carrying out this Agreement shall be prorated among the parties as they shall from time to time determine.

8. This Agreement may be cancelled, or altered or amended upon the approval of not less than three-fourths (3/4) of the parties hereto. The approval or consent of any party to any such proposed cancellation, alteration or amendment may be given in writing either before or after the convening of a meeting at which such proposal is to be or has been considered. No such cancellation, alteration or amendment shall be made effective prior to its approval pursuant to Section 15 of the U.S. Shipping Act, 1916, as amended.

9. No Steamship Company which is a party to this Agreement shall transport cargo to or from a pier or other waterfront terminal in the Port of Greater New York and vicinity unless the operator thereof either:

a) is a party to this Agreement; or

b) although not a party, nonetheless observes the rates, rules, regulations and practices contained in tariffs issued pursuant to this Agreement as the same are in effect from time to time;

c) provided, however, that in the event a steamship company party to this Agreement is unable to obtain the use of a terminal or pier from a terminal operator as defined in
paragraphs a) and b) above, such steamship company shall be free to obtain the use of a terminal or pier from any terminal operator regardless of whether such operator is a party to this Agreement, and regardless of what rates, rules, regulations, and practices are observed.

Each steamship company shall cooperate fully with the Terminal Operators and the parties hereto shall cooperate with one another in order that the terms of such tariffs may be fully performed.

This Agreement, to be known as the "New York Terminal Conference Agreement," shall take effect when signed by the parties hereto and a true copy thereof has been filed and approved pursuant to Section 15 of the U.S. Shipping Act, 1916, as amended.

IN WITNESS THEREOF, the parties hereto have caused this Agreement to be executed by their respective officers or representatives thereunto duly authorized.
