ARTICLE 6

OFFICIALS OF THE AGREEMENT AND DELEGATIONS OF AUTHORITY

- (a) The Affairs of this Association shall be governed by a Board of Trustees (the "Board") which shall be selected as follows: Each active Member of the Association shall name one trustee and one alternative trustee who shall act on behalf of the Member in the event of the absence of the first trustee. The trustees and alternatives shall serve until the active Member names another person to take their place. The Board shall have supervision of all matters pertaining to the Association, shall establish the annual dues and assessments, approve the annual budget of the Association, and shall appoint the Executive Secretary of the Association.
- (b) The Board shall elect a President, Vice President and Treasurer, who shall be the Officers of the Association, and who shall serve without compensation. The Officers shall serve for a term of one year which shall be coterminous with the calendar year, but shall continue their term of office until their successors have been duly elected and have taken office.
 - (1) The President shall preside at all meetings of the Association and of the Board. He shall be an ex-officio Member of all Committees and shall, subject to the Board, have general direction of the business of the Association.
 - (2) The Vice President shall serve during the absence of the President and during such term perform all the duties of the President.

 - (1) The Executive Secretary shall keep an accurate record of the meetings of the Association and shall maintain records in conformity with the Shipping Act of 1984 and the requirements of the Federal Maritime Commission's rules promulgated in conjunction therewith.

ARTICLE 6 (Cont.)

- (2) Each of the parties hereto hereby expressly authorizes the Executive Secretary as its representative authorized to file Agreement amendments, minutes and any other required documents with the Federal Maritime Commission.
- (d) The Members may establish and abolish committees or subcommittees (“Committees”) as they consider necessary to conduct the business of the Association. Such Committees may be authorized to consider and act upon any matters within the scope of this Agreement. Any action taken by any Committee shall bind only those Committee Members who elect to be parties to such an agreement. The provisions of this Agreement regarding quorums, voting, and parliamentary procedure shall apply to Committees.
- (1) Executive Committee. The President, with the approval of the Board of Trustees, shall appoint an Executive Committee of seven Members, including the President, selected from among the Board of Trustees. The Executive Committee shall exercise all the powers of the Board of Trustees when the Board is not in session. The Executive Committee shall fix the time and place of meetings unless the Board of Trustees shall otherwise provide. If the President or any three Members of the Executive Committee determine that it is not feasible to call a meeting, the Committee may take action if the approval of a majority of the Committee Members is obtained by the Executive Secretary by means of a telephone, facsimile, electronic mail, or telegraph poll of the Committee Members.

The President shall appoint a standing Committee on Terminal Tariffs and Practices, consisting of a chairman and such other Members as in the judgment of the President may be required. ARTICLE 6 (Cont.)

all Members of the Association, but shall not be mandatory. The Committee may organize subcommittees along regional lines (e.g. Puget Sound and Columbia River), by nature of cargo (e.g. container, bulk, breakbulk, etc.) or other bases. A Chairman of the Committee shall be elected from among the membership of the Committee. The Chairman may appoint subcommittee chairmen, and shall be responsible for convening meetings of the Committees. The Committee shall discuss, investigate, and study the need for antitrust immunity for ports and marine terminals, the need for coordination in planning future marine terminal facilities, the need for cooperation in the use of existing marine terminal facilities, the need for joint surveys of trade conditions and needs, and the need for coordinated marketing and promotional activities on behalf of Oregon and Washington marine terminal operators.

- (4) Law and Legislation Committee. The President shall appoint a standing Committee on Law and Legislation, consisting of a Chairman and such other Members as in the judgment of the President may be required. The Committee shall meet at the call of the Chairman for the purpose of discussing and studying local and national legal and legislative issues of concern to the Members, preparing pleadings or statements on behalf of the Association for submission to any judicial or legislative forum, and to monitor and report to the Members on specific legal proceedings which may affect the Members.

- (a) Any public or private marine terminal operator serving interstate and foreign commerce and located within the States of Oregon or Washington shall be eligible to become a Member of this Agreement, upon consent of the majority of the membership, by affixing its signature thereto.
- (b) Every application for membership shall be acted upon promptly.
- (c) No marine terminal operator shall be denied admission or re-admission to membership without just and reasonable cause.

- (e) Advice of any denial of admission to membership together with a statement of the reasons therefore, shall be furnished promptly to the Federal Maritime Commission
- (f) Any party may withdraw from this Association without penalty by giving at least 90 days written notice of intention to withdraw to the Executive Secretary; provided, however, that action taken by the parties to the Association to compel the payment of outstanding financial obligations by the resigning Member shall not be construed as a penalty for withdrawal.
- (g) Notice of resignation of any Member and an appropriate modification shall be promptly filed with the Federal Maritime Commission, and shall be effective upon filing.
- (h) The filing of a notice of resignation shall not, until the resignation becomes effective, relieve a Member of its obligation under this Agreement. Upon the effective date of the Member's resignation, that Member shall be relieved of all obligations to the Association, except for the amount of any then delinquent assessment (including dues) levied against that Member.
- (i) No party may be expelled against its will from this Association except for failure to maintain or provide marine terminal services within the scope of this Agreement or for failure to abide by all terms and conditions of this Agreement.

ARTICLE 8

VOTING

- (a) Except as otherwise provided with respect to notice of resignation, or expulsion from membership, each Member shall be entitled to cast one vote on each matter presented for decision of the Association.

ARTICLE 8 (Cont.)

In the absence of a quorum, an Association meeting may be held, but no votes or any formal actions may be taken.
- (c) All actions under this Agreement shall, unless otherwise provided in this Agreement, require the approval by a majority vote of the trustees present and voting. In the event of an equal number of votes for and against any matter, the matter shall be deemed to have not been passed by the Association. Should any Member elect to abstain from voting on any matter, that matter shall be determined solely on the basis of the votes cast by the other Members.
- (d) Members may vote by proxy in accordance with the rules set forth in this subsection, in person, or by telephone. Members may vote by proxy, subject to the following rules: A proxy vote is valid only if it contains a recital of the motion that is the subject of the proxy vote contained in a writing from the Member, whether transmitted by facsimile or electronic mail.
- (e) A record of the vote on each question voted on shall be retained by the Executive Secretary for at least two years (or such longer period of time required by the Federal Maritime Commission).

ARTICLE 9

DURATION

The duration of this Association shall be perpetual.

ARTICLE 10

NEUTRAL BODY POLICING

Not Applicable.

ARTICLE 11

ARTICLE 11 (Cont.)

- (b) To the extent required by law, including the Shipping Act, 1916 and the Shipping Act of 1984, all rates, charges, rules and regulations for or in connection with marine terminal services shall be quoted, charged and collected by the Members strictly in accordance with their tariffs. No part thereof shall be unlawfully refunded or remitted in any manner directly or indirectly, or by any device, to any party.

ARTICLE 13 (Cont.)

- (b) Any recommendations made by a party to this Agreement, and any recommendations by the Association to its Members shall be purely advisory, and any party to this Agreement may take independent action on any rate, charge, practice or any item required to be filed in a tariff, or any other action taken by the Association.
