THIS AGREEMENT, entered into at San Francisco, California, by and between the undersigned on the 12th day of April, 1940, and amended at Long Beach, California on June 10, 1940, and at Oakland, California, on October 18, 1940.

W I T N E S S E T H:

OBJECTS AND PURPOSES

That, in consideration of the benefits to be severally and collectively derived from this agreement, the parties hereto hereby associated themselves in an association to be known as the "CALIFORNIA ASSOCIATION OF PORT AUTHORITIES" hereinafter referred to as the "Association", to promote fair and honorable business practices among those engaged in the marine terminal industry, to more adequately serve the interests of the shipping public at their terminals in ports in the State of California and to establish and maintain just and reasonable, and, as far as practicable, uniform terminal rates, charges, classifications, rules, regulations and practices at such terminals for or in connection with interstate and foreign waterborne traffic, provided that it is recognized that each port or terminal may have a different situation and the term "uniform" shall not necessarily be construed to mean identical, and it is understood that all matters involved herein shall be worked out in a spirit of bona fide effort to accomplish an arrangement that will give no one an undue advantage, taking into consideration all competitive conditions, and to cooperate with port authorities and marine terminal operators of other districts either individually or through their associations, to the end that the purposes set forth above may be achieved as widely as possible.

MEMBERSHIP

1. Any port authority or marine terminal operator in the State of California may hereafter by consent of a majority of the parties hereto become a party to this agreement upon written acceptance of its terms and conditions, provided, however, no such admission shall become effective prior to the date of written advice thereof given by the Association to the United States Maritime Commission, Washington, D. C. Two signed copies of each such written acceptance shall be furnished promptly by the Association to the United States Maritime Commission. The admission of any such port authority or terminal operator shall not be denied without just and reasonable cause.

TARIFF COMPLIANCE

2. The parties hereto agree to assess and collect all rates and/or charges for or in connection with traffic handled by them within the scope of this agreement, strictly in accordance with the rates, charges, classifications, rules, regulations and/or practices set forth in their respective applicable tariffs; that they will not in any respect deviate from or violate any of the terms of said tariffs; and that no rates or charges assessed or collected pursuant to such tariffs shall be directly or indirectly illegally or unlawfully refunded or remitted in whole or in part in any manner or by any device.

TARIFF CHANGES

3. The parties hereto further agree to consult with one another when possible, relative to and before amending, supplementing or reissuing any of their tariffs dealing with traffic, within the scope of this agreement. Any recommendation made by any party hereto shall be purely advisory and shall not be binding upon the parties hereto. Amendments, supplements, or reissues of any tariff shall be furnished promptly to the Association, and shall be available to all members of the Association.

COMMISSION FILINGS

4. A copy of each tariff effective hereunder containing all rates, charges, rules, classifications, regulations and/or practices, including additions thereto and changes therein, shall be furnished promptly to each member of the Association, and to the United States Maritime Commission, Washington, D. C., by the Association.

WITHDRAWAL PROCEDURE

5. Any member may resign from the Association at any time, upon three (3) months' previous written notice of such resignation mailed to the Association. Promptly upon the receipt of any such notice of resignation, the Association shall mail a copy thereof to the United States Maritime Commission, Washington, D. C. Upon the effective date of said resignation, the member so resigning shall be relieved of all obligation to the Association, except for the amount of any dues of said member then due and unpaid, and except for the amount of any then delinquent assessment levied against said member.

SUBJECT TO APPROVAL

6. This agreement, or any modification thereof, shall not become effective until approved pursuant to Section 15 of the Shipping Act, 1916, as amended, provided, however, that the filing of and participation in this agreement shall not be construed as a waiver of, or in any respect prejudicial to, the contentions of any of the parties hereto as to their amenability to the provisions of the Shipping Act, 1916, as amended.
