

CALIFORNIA ASSOCIATION OF PORT AUTHORITIES

COPY OF
FEDERAL MARITIME COMMISSION
AGREEMENT NO. 7345-10

San Francisco, California
September 27, 1965

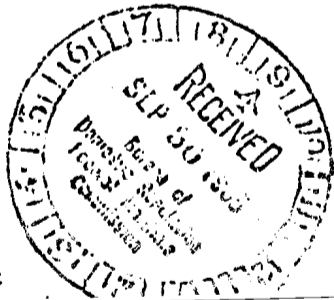

The members of the California Association of Port Authorities hereby agree to amend Agreement No. 7345 by adding thereto Article 27 reading as follows:

"Shippers requests and complaints regarding matters included within the meaning of such phrase, as defined by the Federal Maritime Commission, shall, when presented in written form and filed with the Executive Secretary of the Association, be referred to the Committee on Tariffs and Practices. Any shipper requesting an oral hearing on its request or complaint presented pursuant to the provisions hereof shall be granted such hearing. The Committee on Tariffs and Practices, in accordance with the procedures adopted by the Association and filed with the Federal Maritime Commission, shall, upon consideration of the matters involved, submit its recommendation to the Association for such action as the Association membership shall deem appropriate in accordance with the provisions of this Agreement. The decision of the Association shall be promptly communicated to the proponent or complainant by the Executive Secretary. Action by the Association will not abridge the right of individual action under the provisions of Article 3 hereof."

Signed by authority of and on behalf of the following members comprising the entire membership of said Association:

San Francisco Port Authority	Parr-Richmond Terminal Co.	Port of Oakland
Encinal Terminals	Port of Long Beach	Port of Stockton
