

ARTICLE 3 - TARIFF CHANGES

*(Amended January 10, 1972 - Agreement No. 7345-15)

(a) The members agree that no change shall be made in the rates, charges, classifications, rules, regulations or practices in any of their tariffs without first obtaining unanimous approval of all of the members of either the Committee on Tariffs and Practices or the Traffic Committee of Operating Members, whichever Committee has jurisdiction of such proposed change as provided in Article 17 hereof; provided however, that, in the event any proposed change fails to receive such unanimous approval, any member may take independent action with regard thereto in the manner hereinafter in paragraph (b) of this Article provided. Any member may publish an identical tariff item that exists in another member's tariff upon giving not less than five (5) days' prior written notice to the President, the Executive Secretary, and each member of the Association.

(b) Proposed tariff changes which have failed of unanimous approval by the Committee on Tariffs and Practices may be made by the membership acting unanimously at any regular or special meeting or may be made by independent action upon the giving of not less than ten (10) days prior written notice to the President, the Executive Secretary, and each member of the Association, during which period members of the Association shall be afforded an opportunity to consult with each other and to make recommendations. Upon the giving of not less than five (5) days prior written notice to the President, the Executive Secretary and each member of the Association, any other member may make such changes with regard thereto in its own rates, charges, classifications, rules, regulations and practices as such member may desire. Any recommendation made by any member shall be purely advisory and shall not be binding upon any member.

(c) Proposed tariff changes for services peculiar to and performed only by Operating Members which have failed of unanimous approval by the Traffic Committee of Operating Members may be made by independent action upon the giving of not less than ten (10) days prior written notice to the President, the Executive Secretary and each Operating Member of the Association, during which period the Operating Members of the Association shall be afforded an opportunity to consult with each other and to make recommendations. Upon the giving of not less than five (5) days prior written notice to the President, the Executive Secretary and each Operating Member of the Association, any other Operating Member may make such changes in the rates, charges, classifications, rules, regulations and practices for services peculiar to and performed only by Operating Members as such Operating Member may desire. Any recommendation made by any Operating Member shall be purely advisory and shall not be binding upon any Operating Member.
