WHEREAS, the Council has successfully fulfilled its purposes under the terms of the original agreement as executed November 22, 1973, and the members wish to continue the agreement in force indefinitely;

NOW THEREFORE, the undersigned carrier members, subject to all conditions and terms expressed in this Agreement hereby agree to form the International Council of Containership Operators, and agree as follows:

ARTICLE I - NAME

The name of this organization shall be the International Council of Containership Operators.

The situs of the Council for purposes of communication and correspondence shall be the city in which the carrier member represented by the Council's Chairman is located.

ARTICLE 2 - PURPOSE

The purpose of the Council shall be to provide a forum for the open discussion of all areas of concern to the carrier members in providing scheduled containership common carrier service in international commerce by those persons with primary responsibility for the policies and actions of the respective carrier members.

ARTICLE 3 - PARTIES

The parties to this Agreement are set forth in Appendix A.

#### ARTICLE 4 - GEOGRAPHIC SCOPE

The geographic scope of this Agreement shall extend between all United States ports and points and all foreign ports and points, although it is understood that carrier members may conduct activities in trades other than those involving the United States and that activities outside the scope of the Shipping Act of 1984, as amended (the "Act"), are not as a result of the filing or effectiveness of this Agreement brought within the scope of the Act, the exemption from the antitrust laws provided by the Act, or the jurisdiction of the United States Federal Maritime Commission ("Commission").

#### ARTICLE 5 - AGREEMENT AUTHORITY

The members recognize a need for the exchange of information to facilitate long-range maritime industry planning with respect to a broad range of factors such as, environmental controls, intermodal regulations, technological developments, fuel and energy requirements, monetary and fiscal policies, port development, government-controlled fleets and governmental programs which affect maritime activities, and intend to exchange such information. If any discussion or exchange of information results in any proposals and/or agreements of concerted action, those proposals or agreements shall be subject to the right of each member carrier to independent action and to necessary approvals or requirements of Governments. Nothing herein shall be construed as obligating any carrier member to provide or exchange information with other carrier members or the Council. Copies of all documents constituting information provided or data exchanged between the parties under authority of this agreement which concerns the foreign commerce of the United States will be promptly furnished to the Commission.

#### ARTICLE 6 - OFFICIALS OF THE AGREEMENT

The Secretary shall also file with the Commission copies of all documents constituting information provided or data exchanged between the parties under authority of the Agreement which concern the foreign commerce of the United States. The Secretary is authorized to file amendments or modifications to this Agreement with such government agencies as required and may delegate such authority.

4. The Chairman and Secretary shall serve without compensation.

5. An Executive Committee consisting of not less than four nor more than twelve representatives shall be established to direct the affairs of the Council. The Council shall designate the members of this committee by a majority vote, and the members of the Committee so elected shall hold office throughout the duration of the Agreement.
