ARTICLE 13. INDEPENDENT ACTION

The members, having no obligation to adhere, other than voluntarily to any agreement reached hereunder, agree that each member may take independent action on any rate or service item effective upon 24-hour notice to the Association Executive Director, whereupon the Executive Director shall cause such tariff changes to be made effective on the date indicated by the member. Provided, however, where only one member maintains an active service in a Section that member may take action on any rate or service item to be filed in the Association tariff(s), effective upon 24-hour notice to the Association Executive Director, whereupon the Executive Director shall cause such tariff changes to be made effective on the date indicated by the member. The Executive Director shall immediately distribute all independent action requests to all members whereupon each other member may adopt by written notice to the Executive Director the independent rate or service item on or after the effective date of such charge.

Where there is no Association Tariff applicable, each member may take independent action without notification to the other members or Association.

ARTICLE 14. SERVICE CONTRACTS

(a) The Association may enter into and implement service contracts as defined in Section 3(21) of the Shipping Act of 1984 including service contracts covering excepted commodities. Any such service contract will be a contract of the Association on behalf of any one or more of its members. Any Member may, separately and independently from the Association, enter into service contracts for cargo moving within the Trade and such service contracts may also include cargo moving outside the Trade, but only to the extent that the volume of such cargo will be applied toward the aggregate volume committed by the shipper; and the Members are authorized, but not required, to discuss the terms of such service contracts.

(b) Members may elect not to participate, or to limit their participation, in any Association service contract by appropriate written notification to the Executive Director prior to execution of any such contract specifying their election not to participate or the limitation on their participation. Any service contract shall specify those Members not participating, or if participating in a limited manner, the limitation of their participation. A Member which has initially elected not to participate in an Agreement service contract or to limit its participation may, prior to the service contract's expiration, elect to participate or remove its limitation as to its participation by notifying the Executive Director in writing which shall include the effective date that its participation shall begin or the limitation is removed.
