ARTICLE 5: OVERVIEW OF AGREEMENT AUTHORITY

5.1 Under this Agreement, ACL and WWL are authorized to agree on the quantity of roll-on/roll-off space to be chartered by WWL on vessels operated by ACL in the Trade, which quantity shall not exceed

the full car-carrying capacity of a maximum of five such vessels, and on the compensation to be paid by WWL to ACL for that space. WWL shall have available to it a minimum capacity of 1,500 Opel Equivalent Units ("OEU") of car space on westbound voyages and of 1,450 OEUs of car space on eastbound voyages. WWL shall purchase space for a minimum of 725 OEUs on each westbound sailing and 660 OEUS on each eastbound sailing on a used/unused basis, subject to a maximum of 290 standard size high-sided vehicles ("HSVs") westbound and 230 HSVs eastbound, unless otherwise agreed. For purposes of this Article 5.1, cars shall equal 1.4 OEU, HSVs shall equal 1.8 OEU, and motor homes and travel trailers shall equal 2.2 OEUs. The Parties are authorized to mutually agree from time to time on a greater or lesser capacity to be made available to WWL on a voyage-to-voyage basis, as required.

5.2 The Parties shall agree upon the charter hire to be received by ACL for space provided to WWL hereunder, and are authorized to mutually agree from time to time on adjustments to same. ACL and WWL are authorized to agree on the amount payable, if any, for failure to use the minimum amount of space set forth in Article 5.1. ACL and WWL also are authorized to agree on the scheduling requirements for the vessels on which WWL is chartering space, the operational coordination and booking of WWL cargo on those vessels, responsibility for loading, discharging and other cargo handling costs, security requirements, cargo handling and damage prevention requirements, the responsibility for cargo loss or damage, insurance and required documentation. ACL shall provide WWL with not less than twelve (12) months notice of any changes in its schedule or port coverage, after which WWL may elect to continue, modify or cancel this Agreement.

5.3 WWL may sub-charter space chartered under this Agreement, provided that any agreement that is subject to the Shipping Act of 1984, as amended (the "Act"), and that encompasses such sub-chartering between WWL and an ocean common carrier sub-charterer will be on file at the Federal Maritime Commission and in effect at the time. Cargo carried in space chartered under this Agreement shall move under Bills of Lading of WWL (or its sub-charterer) and WWL (or its sub-charterer) shall be responsible for filing/publishing such tariffs as are required by the Act for such cargo.

5.4 This Agreement is binding on the Parties and their successors in interest, and those to whom they may sell, transfer or assign, provided that a Party may not assign or transfer its interest or obligations hereunder without the written consent of the other Party.

5.5 The Parties are authorized to discuss and agree upon any and all technical and operational matters described in 46 C.F.R. §535.408(b) such as procedures for allocating space, forecasting, stevedoring and terminal operations, responsibility for loss, damage or injury, terms and application to cargo moved hereunder of their respective bill of lading and changes to same, the interchange of information and data regarding all matters within the scope of this Agreement, terms and conditions for force majeure relief, insurance, guarantees, indemnification, and compliance with customs, safety, security, documentation, and other regulatory requirements.

ARTICLE 9: DURATION AND TERMINATION OF THE AGREEMENT

a. This Agreement shall remain in effect indefinitely, unless the Parties agree to an earlier termination or a Party resigns in accordance with the terms hereof.

b. Notwithstanding Article 9(a), in the event that ACL or an ACL-related company commence a service for the carriage of cars within the geographic scope of this Agreement, WWL may, within six (6) months of the introduction of such service, terminate this Agreement with immediate notice. For purposes of this Article 9(b), an entity is a "related company" to a Party if it is a parent or subsidiary company, or a commonly owned or controlled entity, or a joint venture, or other entity in which the Party or the Party's parent or subsidiary or commonly owned or controlled entity participates and is controlling.

c. If during the term of this Agreement it becomes apparent that the current ACL vessels must be taken out of service due to the age and condition of the vessels, the Parties shall negotiate the timing of the phase-out of the vessels, after which the Agreement will be terminated, conditional upon the vessels being taken out of the market.

d. The Parties shall discuss any dramatically significant but unforeseen changes in costs affecting all carriers in the Trade in order to find a mutually acceptable solution that reimburses ACL for those unforeseen costs. If no solution is found and ACL concludes that the profitability of the service has been severely damaged, then ACL may cancel the Agreement on not less than twelve (12) months written notice to WWL.

ARTICLE 10: APPLICABLE LAW AND ARBITRATION

10.1 This Agreement is to be considered under, and governed by, English Law.

10.2 If any dispute arises out of or in connection with this Agreement or its construction or application and cannot be amicably settled, the matter shall be referred to Arbitration under the International rules of the London Court of International Arbitration, provided that at least 60 days' notice of intent to refer to Arbitration is given.
