ARTICLE 3: PARTIES TO THE AGREEMENT

The parties to this Agreement are listed in Appendix A hereto.

ARTICLE 4: GEOGRAPHIC SCOPE OF THE AGREEMENT

This Agreement covers the trades between all United States ports, and all U.S. points served via those ports, (including, without limitation, ports and points in Puerto Rico and U.S. territories and possessions), and ports and points in all other countries worldwide (hereinafter the "Trade").

ARTICLE 5: AGREEMENT AUTHORITY

5.1 Under this Agreement, the parties are authorized, but not required to discuss and agree upon all matters in the Trade relating to the interchange of carrier equipment with shippers and/or consignees, their agents or contractors, which directly or indirectly affect the rates, charges, or other terms of transportation made available to shippers or consignees, including uniform or differential terms pertaining to insurance, liability for loss or damage (whether of or to equipment, or the person or property of third parties) maintenance and repair, credit and billing practices, free time, detention charges, and other terms of equipment interchange agreements and all conditions, classifications, rules, and practices pertaining to the availability, lease, use, delivery, acceptance, interchange, refusal, handling, documentation, transfer, storage, inland transportation, and delivery of equipment whether moving under through bill of lading or otherwise, by direct service or transshipment, and whether moving under tariffs, service contracts or otherwise.

5.2 The parties may exchange information, statistics, reports, studies and other data pertaining to matters within the scope of Article 5.1.

5.3 Without limitation, any agreement reached on rate or service items subject to tariff filing pursuant to Section

8(a) of the Shipping Act of 1984 shall be a matter of voluntary adherence by each party and nothing in this Agreement shall prevent any party from departing from such agreement at any time upon 24 hours prior written notice to the Agreement.

5.4 The parties may agree upon any routine administrative matters relating to the operation or implementation of this Agreement. The parties shall allocate costs incurred hereunder and pay their respective shares thereof in a timely manner.

5.5 For purposes hereof, references to "equipment" shall mean containers, trailers, chassis, and other intermodal equipment.

5.6 Voluntary agreements reached hereunder may be published in the applicable tariffs of the parties. If a party's applicable tariff is published by a conference, such party may bring the agreement reached hereunder to the conference for consideration and adoption by it. The parties may agree to publish a tariff(s) under the auspices of the Agreement covering subjects authorized by this Article in which all or some of the parties may participate.

ARTICLE 6:            OFFICIALS OF THE AGREEMENT AND DELEGATIONS OF

The Executive Committee shall make recommendations to the parties on administrative and organizational matters. The Executive Committee may appoint a Secretary to act as administrator of the Agreement.

6.2 In addition to the Chairman and Secretary, Agreement counsel (including attorneys with Counsel's law firm) shall have the authority to execute and file this Agreement, any modifications to this Agreement, and any forms in support of the foregoing on behalf of the parties, upon appropriate vote taken by the parties.
