ARTICLE 1: FULL NAME OF THE AGREEMENT

The full name of this Agreement is the Ocean Carrier Equipment Management Association ("OCEMA").

ARTICLE 2: PURPOSE OF AGREEMENT

The purpose of this Agreement is to permit the parties to discuss, evaluate and reach agreement with respect to matters pertaining to the interchange of carrier equipment for the direct or indirect account of shippers or consignees.

ARTICLE 3: PARTIES TO THE AGREEMENT

The parties to this Agreement are listed in Appendix A hereto. See also Article 7.1.

ARTICLE 4: GEOGRAPHIC SCOPE OF THE AGREEMENT

This Agreement covers the trades between all United States ports, and all U.S. points served via those ports, (including, without limitation, ports and points in Puerto Rico and U.S. territories and possessions), and ports and points in all other countries worldwide (hereinafter the "Trade").

ARTICLE 5: AGREEMENT AUTHORITY

5.1 Under this Agreement, two or more of the parties are authorized, but not required to meet, discuss and agree upon all matters in the Trade relating to the interchange of carrier
shall be a matter of voluntary adherence by each party and nothing in this Agreement shall prevent any party from departing from such agreement at any time with notice to the Agreement.

5.4 The parties may agree upon any routine administrative matters relating to the operation or implementation of this Agreement. The parties shall allocate costs incurred hereunder and pay their respective shares thereof in a timely manner. Any member that withdraws from the Agreement shall be responsible to pay its share of Agreement expenses, including but not limited to Agreement dues and the cost of any Agreement policing program, through the period ending ninety (90) days following the effective date of its withdrawal. Payment of such amounts shall be due at the same time payment is due from the other members of the Agreement.

5.5 For purposes hereof, references to "equipment" shall mean containers, trailers, chassis, and other intermodal equipment.

5.6 Voluntary agreements reached hereunder may be published in the applicable tariffs or service contracts of the parties. The parties are authorized to discuss, share
equipment with shippers and/or consignees, their agents or subcontractors, including uniform or differential terms pertaining to insurance, liability for loss or damage (whether of or to equipment, or the person or property of third parties) maintenance and repair, credit, billing, and collection practices, terminal handling and destination delivery charges, free time, detention charges, and other terms of equipment interchange agreements and all conditions, classifications, rules, and practices pertaining to the availability, lease, use, delivery, acceptance, interchange, refusal, handling, documentation, transfer, storage, inland transportation, and delivery of equipment whether moving under through bill of lading or otherwise, by direct service or transshipment, and whether moving under conference or individual tariffs, service contracts or otherwise, including the terms of bills of lading, service contracts, or tariffs relating to the foregoing.

5.2 The parties may exchange information, statistics, reports, studies and other data pertaining to matters within the scope of Article 5.1.

5.3 Without limitation, any agreement reached on tariff rate or service items
information, and reach agreements with respect to matters within the subjects included in Article 5 hereof which are pending before or were decided by other carrier agreements to which one or more of the Parties hereto are a party. The parties are further authorized to agree to adopt similar provisions for their respective agreement or individual tariffs or service contracts or to recommend actions to other agreements through common members. If a party's applicable tariff or service contract is published or authorized by a conference or other carrier agreement filed with the FMC, such party may bring the agreement reached hereunder to the conference or agreement for consideration and adoption by it. The parties may agree to publish a tariff(s) under the auspices of the Agreement covering subjects authorized by this Article in which all of the parties may participate.

5.7 Subject to Article 5.3 hereof, the parties are authorized to enter into implementing and interstitial arrangements, writings, understandings, procedures and documents within the scope of the authorities set forth in this Article 5 in order to carry out the authorities and purpose hereof.

5.8 Subject to the Shipping Act of 1984, as amended, two or more of the parties are authorized, but not required, to meet with the owners or operators of
inland depots, equipment pools, or inland terminals to discuss, negotiate, and agree upon matters, including rates, terms, conditions, procedures, and charges related to the use of inland depots, pools, and terminals, and the use, receipt, lease, storage, repair and interchange of equipment. Subject to the Shipping Act of 1984, as amended, two or more of the parties are authorized, but not required, to meet with the owners or operators of rail and motor carriers to discuss, negotiate, and agree upon matters, including rates, terms, conditions, procedures, and charges related to the use of inland depots, pools, and terminals, and the use, receipt, lease, storage, repair and interchange of equipment. Subject to any restrictions in the Shipping Act of 1984, as amended, the parties may also discuss, negotiate and agree upon joint contracts, joint purchase and joint lease of inland transport services, inland depot services, pools, equipment, terminals, and other facilities. The Parties are authorized to meet, discuss and agree among themselves on matters included in this paragraph; provided, however, that notwithstanding any other provision hereof, this Agreement does not authorize the parties to negotiate, agree upon, or jointly contract for freight rates or compensation to be paid by the parties to motor carriers and/or port truck drivers.

5.9 In furtherance of the authority...
Article 5, the parties are authorized to obtain, compile, maintain, and exchange among themselves, information related to any aspect of inland transport, inland depots, pools, terminals and/or equipment use. Such information may include records, statistics, studies, compilations, projections, costs, and
documents of any kind or nature whether prepared by the parties or obtained from outside sources relating to matters authorized by Article 5.

5.10 The parties are authorized to discuss, agree upon, adopt, revise, and implement voluntary guidelines relating to the terms and procedures of individual service contracts on subjects authorized by Article 5.1. Any such voluntary guidelines adopted by the parties shall explicitly state that the parties have the right not to follow the guidelines and shall be submitted confidentially to the Federal Maritime Commission.

5.11 The parties are authorized to discuss and agree upon a standard tariff for matters relating to Article 5.1 and the Parties' individual service contract terms. The Parties are also authorized to discuss and agree upon standard bill of lading terms for cargo and equipment damage.

ARTICLE 6: OFFICIALS OF THE AGREEMENT AND DELEGATIONS OF AUTHORITY

6.1 From time to time, the parties will designate a chairman and vice chairman from among the
members. The Chairman shall officiate at full meetings of the parties. The parties may appoint a Secretary to act as administrator of the Agreement. The parties may also form committees to focus on matters authorized under Article 5.

6.2 In addition to the Chairman and Secretary, Agreement counsel (including attorneys with Counsel's law firm) shall have the authority to execute and file this Agreement, any modifications to this Agreement, and any forms in support of the foregoing on behalf of the parties, upon appropriate vote taken by the parties.

6.3 There shall be an Executive Committee ("Ex Comm") comprised of the Chairman, Vice Chairman and representatives of three (3) parties. The Ex Comm shall have the authority to act on behalf of the Agreement with respect to admission of new parties, payment of Agreement expenses, special assessments, and other agreement administrative matters. 8.2 The following matters shall be subject to binding vote of the parties: (a) expulsion from membership and termination of this Agreement; (b) administrative matters, including allocation of expenses, appointment of Chairman, Vice Chairman and committees, and scheduling of meetings; and (c) other than the addition of new members, amendments to this Agreement. Except as provided in Article 6.3, action on such matters shall require a three quarters vote of the parties present. Voting may also take place through telex, telephone or telefax polls. In any telex, telephone or telefax poll, action on matters subject to binding vote of the parties shall require a three quarters vote of the parties responding to the poll in the manner and within the time specified in the poll.

At the request of any party, the Agreement shall engage
the services of an independent neutral body to fully police the obligations of the Agreement and the parties. The neutral body may provide consulting services for the Agreement whereby it reviews the members' systems for monitoring, billing and collecting free time and detention and provides suggestions and recommendations with respect to those systems. In connection with such consulting, the members shall cooperate with the neutral body by providing information and records with respect to their systems.
