individual tariffs, service contracts or otherwise, including the terms of bills of lading, service contracts, or tariffs relating to the foregoing.

5.2 The parties may exchange information, statistics, reports, studies and other data pertaining to matters within the scope of Article 5.1.

5.3 Without limitation, any agreement reached on tariff rate or service items

shall be a matter of voluntary adherence by each party and nothing in this Agreement shall prevent any party from departing from such agreement at any time with notice to the Agreement.

5.4 The parties may agree upon any routine administrative matters relating to the operation or implementation of this Agreement. The parties shall allocate costs incurred hereunder and pay their respective shares thereof in a timely manner. Any member that withdraws from the Agreement shall be responsible to pay its share of Agreement expenses, including but not limited to Agreement dues and the cost of any Agreement policing program, through the period ending ninety (90) days following the effective date of its withdrawal. Payment of such amounts shall be due at the same time payment is due from the other members of the Agreement.

5.5 For purposes hereof, references to "equipment" shall mean containers, trailers, chassis, and other intermodal equipment.

5.6 Voluntary agreements reached hereunder may be published in the applicable tariffs or service contracts of the parties. The parties are authorized to discuss, share

information, and reach agreements with respect to matters within the subjects included in Article 5 hereof which are pending before or were decided by other carrier agreements to which one or more of the Parties hereto are a party. The parties are further authorized to agree to adopt similar provisions for their respective agreement or individual tariffs or service contracts or to recommend actions to other agreements through common members. If a party's applicable tariff or service contract is published or authorized by a conference or other carrier agreement filed with the FMC, such party may bring the agreement reached hereunder to the conference or agreement for consideration and adoption by it. The parties may agree to publish a tariff(s) under the auspices of the Agreement covering subjects authorized by this Article in which all of the parties may participate.

5.7 Subject to Article 5.3 hereof, the parties are authorized to enter into implementing and interstitial arrangements, writings, understandings, procedures and documents within the scope of the authorities set forth in this Article 5 in order to carry out the authorities and purpose hereof.

5.8 Subject to the Shipping Act of 1984, as amended, two or more of the parties are authorized, but not required, to meet with the owners or operators of

inland depots, equipment pools, or inland terminals to discuss, negotiate, and agree upon matters, including rates, terms, conditions, procedures, and charges related to the use of inland depots, pools, and terminals, and the use, receipt, lease, storage, repair and interchange of equipment. Subject to the Shipping Act of 1984, as amended, two or more of the parties are authorized, but not required, to meet with the owners or operators of rail and motor carriers to discuss, negotiate, and agree upon matters, including rates, terms, conditions, procedures, and charges related to the use of inland depots, pools, and terminals, and the use, receipt, lease, storage, repair and interchange of equipment. Subject to any restrictions in the Shipping Act of 1984, as amended, the parties may also discuss, negotiate and agree upon joint contracts, joint purchase and joint lease of inland transport services, inland depot services, pools, equipment, terminals, and other facilities. The Parties are authorized to meet, discuss and agree among themselves on matters included in this paragraph; provided, however, that notwithstanding any other provision hereof, this Agreement does not authorize the parties to negotiate, agree upon, or jointly contract for freight rates or compensation to be paid by the parties to motor carriers and/or port truck drivers.
