WHEREAS, the parties desire to amend that provision of the Lease entitled
"Breakbulk Cargo Fees" to add an additional class of cargo, as hereinafter set forth.

NOW, THEREFORE, intending to be legally bound hereby, the parties hereto agree as follows:

1. **Effective Date.** This Amendment shall be effective as of March 1, 2004.

2. **Wheeled Military Cargo.** Section 3.1(d) of the Lease is amended and restated in its entirety as follows:

   (d) **Breakbulk Cargo Fees.** A breakbulk cargo fee (the "Breakbulk Fee") equal to the sum of: (i) the product of $1.50 multiplied by the number of tons of temperature controlled breakbulk cargo ("Temperature Controlled Cargo") moved onto or off any and all vessels at the Terminal during the preceding month; plus (ii) the product of $.20 multiplied by the number of tons of breakbulk steel, iron, aluminum, zinc, copper and other metal ingots, sheets, rods, bars, coils and similar products ("Steel") moved onto or off any and all vessels at the Terminal during the preceding month; plus (iii) the product of $0.70 multiplied by the number of tons of all other types of breakbulk cargo not specified elsewhere in this subparagraph 3.1(d) ("General Cargo") moved onto or off any and all vessels at the Terminal during the preceding month; plus (iv) with respect to each unit (driven or towed) of wheeled military cargo (classified as such by any branch of the United States military), including any cargo nested therein ("Wheeled Military Cargo") moved onto or off any and all
vessels at the Terminal during the preceding month: (A) $8.00 per unit for equipment weighing ten thousand (10,000) pounds or more (including the weight of any nested cargo), and (B) $4.00 per unit for equipment weighing less than ten thousand (10,000) pounds (including the weight of any nested cargo). At such time, if any, that the Breakbulk Fee paid by Astra for a Lease Year with respect to the sum of the products reached pursuant to the terms of subparagraphs (i), (ii), (iii) and (iv) above equals the Breakbulk Guarantee (as defined in subsection 3.1(e) below), then any additional Breakbulk Fee due with respect to such Lease Year shall be determined based solely upon the total of the tonnage of Temperature Controlled Cargo plus the weight of Wheeled Military Cargo, with no additional Breakbulk Fee with respect to such Lease Year based upon Steel or General Cargo. Payments due on account of Wheeled Military Cargo shall be made as follows: on or before the fifteenth (15th) day of each month, Astra shall pay its good faith estimate of the compensation due pursuant to subsection 3.1(d)(iv) for the preceding month for said Wheeled Military Cargo. Within thirty (30) days thereafter, Astra shall reconcile its good faith estimate with the records of the US military, copies of which shall be provided to PRPA. Based upon said reconciliation, Astra shall either reduce the current month's payment by the amount of any overpayment made
the previous month or add to the following month's payment any amount by which the previous month's payment was deficient. In the event there is a dispute as to fees due with regard to Wheeled Military Cargo, the parties agree that the amounts appearing on the military schedule 1A1 shall control.

3. **Lease Remains in Effect.** The Lease, as amended hereby, shall remain in full force and effect. In the event of any conflict between the terms of the Lease and the terms of this Amendment, this Amendment shall control.

4. **Execution in Counterparts.** This Amendment may be executed in counterparts, each of which shall be deemed to be an original as against any party whose signature appears thereon and all of which shall constitute one and the same instrument.

   [Intentionally continued on next page.]
IN WITNESS WHEREOF, the parties have executed this Seventh Amendment as of the date first written above.
