WHEREAS, it is the desire of the parties hereto to enter into an agreement, pursuant to the provisions of section 15, Shipping Act of 1916, as amended, and section 5 of the Shipping Act of 1984, for the purpose of establishing terminal rates, charges, classifications, rules, regulations and practices applicable to and governing the use and operation of the public wharves and other terminal facilities at their respective ports;

NOW THEREFORE, in consideration of the benefits, advantages and privileges to be severally and collectively derived from this agreement, the parties hereto do hereby associate themselves into an organization which shall be known as GULF SEAPORTS MARINE TERMINAL CONFERENCE (hereinafter sometimes called "Conference"), and do hereby further agree as follows:

(1) To consult with one another with relation to, and to establish, port terminal rates and charges and rules and regulations for or in connection with services and facilities, including, but not limited to, wharfage (tollage), dockage, sheddage, free time, demurrage, usage, storage,
handling, loading and unloading, licenses, preferential assignments, and other privileges, charges, classifications, rules, regulations and practices. It is expressly understood that the parties hereto may limit this agreement to the establishment of one rate, rule or regulation of a singular and particular character, as it may from time to time determine.

(2) This agreement or any modification thereof, shall be filed with the Federal Maritime Commission (hereinafter sometimes referred to as "Commission"), its successors or assigns, pursuant to the requirements of the Shipping Act of 1916, as amended, and the Shipping Act of 1984, and shall not become effective until the requirements of these Acts and the Commission's rules have been satisfied.

(3) The parties hereto shall elect from their membership a Chairman, a Vice Chairman and a Secretary-Treasurer. These officers shall be the officers of the Conference and shall serve without compensation from year to year or until their successors have been duly elected and installed into office. It shall be the duty of the Chairman to preside at all meetings of the Conference. In the absence of the Chairman it shall be the duty of the Vice Chairman to perform the duties of the Chairman.

The parties hereto may employ an Executive Secretary who, under the supervision of the Conference Chairman, shall perform such duties as said Chairman may direct.
(4) The rates, charges, classifications, rules, regulations and practices, and any changes therein, adopted pursuant to this agreement, shall be published in the respective tariffs of the parties hereto and be filed by each party with said Commission pursuant to the provision of 46 CFR, Part 515. No changes in said tariffs, rates, charges, classifications, rules, regulations and practices, adopted pursuant to this agreement, shall be made without prior notice of such changes to the members of the Conference.

(5) The joint business of the parties hereto may be carried out at full Conference meetings held at the request of the Chairman or of any of the parties hereto at such place, date and time as may be mutually agreed upon by said parties. Such meetings may also be carried out by telephone or oral polls.

All actions under this agreement shall be by unanimous vote of the parties, subject, however, to the provisions of paragraph 12 hereof.

(6) The Conference shall, through its Chairman or Executive Secretary, file with the Commission a report of all meetings, describing all matters within the scope of the agreement which are discussed or taken up at any such meeting, telephone or oral poll, and shall specify the action taken with respect to each such matter. If final action is taken by telephone or personal polls of the membership, a report describing each matter so considered and the action
taken with respect thereto, shall be filed with the Commission.

Such reports shall be filed with the Commission within 30 days after such meetings, telephone or personal polls.

(7) A record of the vote on each question voted on shall be retained by the parties for at least two years. These records may be retained by the Conference Chairman.

(8) All reports or circulars, in whatever form, distributed to the parties, which relate to matters within the scope of this agreement shall be retained by the parties hereto for at least two years. This record may also be retained by the Conference Chairman.

(9) Any user of the services or facilities of the members of the Conference or any other interested party desiring a hearing before the Conference with regard to rates, charges, rules and regulations contained in the respective tariffs of the parties hereto, adopted and filed pursuant to this agreement, may apply for and shall be granted a hearing thereon before appropriate representatives of the Conference.

Shippers' requests and complaints with respect to any such rates, charges, rules and regulations and/or practices, adopted pursuant to this agreement, may be made by filing a statement thereof with the Chairman of the Conference, or with the director of any one of the members of the
Conference at the address published in the respective tariffs of said members.

The Conference Chairman shall promptly give notice by mail to such shipper or complainant of the docketing of the matter and of the date of the proposed meeting of the members of the Conference at which the subject will be considered. If said shipper or complainant desires to be heard, he shall make request therefor upon the Chairman of the Conference in advance of the meeting.

The parties hereto shall publish in their respective tariffs full instructions as to where and by what method shippers may file such requests and complaints, as well as any and all changes made in such instructions.

The Conference Chairman shall maintain for a period of two years a complete record of requests and complaints filed by shippers or complainants.

(10) Any expense incurred in carrying out this agreement shall be prorated among the parties hereto as they shall from time to time determine.

(11) Any party hereto shall have the right to withdraw from this agreement provided that written notice of such withdrawal is given to the other members at least 60 days in advance of the intended date of withdrawal. During the period before the effective date of such withdrawal, the withdrawing party agrees to be bound by all of the provisions of this agreement. The withdrawing party also shall
remain liable for all dues or assessments outstanding against it.

(12) With respect to any actions to be taken or procedures to be followed under this agreement, any party hereto, after five days' written notice to the other members of the Conference, may take action or follow procedures independent of those agreed upon.

(13) Any person, firm or corporation engaged in the business of furnishing wharves, docks, or other marine terminal facilities in connection with a common carrier by water within the meaning of Title 46, Section 801, U.S.C.A., as amended, or giving substantial and reliable evidence of intention to so engage at seaports in the Gulf Coast area, may become a member of this Conference upon the approval of the parties hereto, by affixing the proper signature to this agreement, or a counterpart thereof. Notice of admission to membership shall be promptly forwarded to the Commission. Every application for membership shall be acted upon promptly. No applicant shall be denied admission except for just and reasonable cause, and advice of any denial of admission to membership, together with a statement of the reasons therefore, shall be furnished promptly to the Commission by the Conference Chairman.

IN WITNESS WHEREOF the parties hereto have caused this agreement to be executed, in multiple copies, by their
respective officers, thereunto duly authorized, as of the day, month and year hereinabove first written.
