5.1 The Parties are authorized to charter space for the carriage of vehicles and other Ro/Ro cargo to/from one another in the Trade on an "as need/as available" basis, up to the full reach of a vessel, on vessels owned or chartered by them on such terms and conditions as the Parties may agree from time to time. To facilitate efficient operations under this Agreement, the Parties may discuss and agree upon space requirements and the availability of space on their vessels; the timing of the provision of space; procedures for booking space, for documentation, for special cargo handling instructions or requirements, and for other administrative matters relating to chartering and transportation provided under this Agreement; and the terms and conditions for the use or interchange of equipment useful in the carriage of cargo in the Trade covered by this Agreement.

5.2 Compensation for any space chartered pursuant to this Agreement shall be upon such terms and at such hire (expressed as a fixed sum) as the Parties may from time to time agree. Billing and payment terms and conditions shall also be as agreed between the Parties from time to time.

5.3 The Parties are authorized to discuss and agree upon arrangements for the use of terminals in connection with the chartering of space hereunder, including entering into exclusive, preferential, or cooperative working arrangements with marine terminal operators and other persons relating to marine terminal, stevedoring or other shoreside services. However, nothing in this Agreement shall authorize the Parties jointly to operate a marine terminal in the United States.

5.4 The Parties are authorized to exchange information on any matter within the scope of this Agreement and to reach agreement on any and all administrative and operational functions related hereto including, but not limited to, forecasting, terminal operations, stowage planning, insurance, liability, cargo claims, indemnities, the terms of their respective bills of lading, failure to perform and force majeure.

5.5 The Parties are authorized to enter into agreements concerning routine operational or administrative matters to implement the foregoing. Any such further agreement not exempt from filing under 46 C.F.R. §535.408 may not go into effect unless filed and effective under the Shipping Act of 1984, as amended.

7.1 New parties to this Agreement may be added only upon the unanimous consent of the Parties. The addition of any new party to this Agreement shall become effective after an amendment noticing its admission has been filed with the Federal Maritime Commission and become effective under the Shipping Act of 1984, as amended.

7.2 Any Party to this Agreement may withdraw from this Agreement upon ninety (90) days advance written notice to the other Party or Parties, such notice to be sent to the address set forth in Article 3 hereof.
