Article 1. Name

This Agreement shall be known as the WWL Ocean and NYK Space Charter Agreement (the “Agreement”).

Article 2. Purpose

The purpose of this Agreement is to authorize the Parties (as defined below) to charter space to/from one another for the carriage of vehicles, equipment or other cargo suitable for carriage on Ro/Ro vessels (“Ro-Ro Cargo”) in the Trade (as defined below).

Article 3. Parties

The parties (individually, a “Party” and collectively the “Parties”) to this Agreement are:

Wallenius Wilhelmsen Logistics Ocean AS
Strandveien 20 Lysaker 1366
P.O. Box 33, N-1324 Lysaker, Norway
(hereafter referred to as “WWL Ocean”).

Nippon Yusen Kaisha
Yusen BLDG., 3-2 Marunouchi Chiyoda-Ku
Tokyo, Japan
(hereafter referred to as “NYK”)

Article 4. Geographic Scope

This Agreement covers the trade between all ports or places in the United States (as defined in 46 U.S.C. 114) and all ports or places in all other countries worldwide (the “Trade”).

Article 5. Agreement Authority

5.1 The Parties are authorized to charter space for the carriage of vehicles and other Ro/Ro Cargo to/from one another in the Trade on an “as needed/as available” basis, up to the
full reach of a vessel, on vessels owned or chartered by them on such terms and conditions as the
Parties may agree from time to time. To facilitate efficient operations under this Agreement, the
Parties may discuss and agree upon space requirements and the availability of space on their
vessels; the timing of the provision of space; procedures for booking space, for documentation, for
special cargo handling instructions or requirements, and for other administrative matters relating
to chartering and transportation provided under this Agreement; and the terms and conditions for
the use or interchange of equipment useful in the carriage of cargo in the Trade. Space chartered
hereunder may not be sub-chartered to another carrier. The discussion and agreement permitted by
this Section 5.1 includes discussion and agreement about the volumes, cargo characteristics,
shipping requirements, and other transportation features of service for a specific shipper, when
such shipper has given written authorization for such discussion and agreement.

5.2 Compensation for any space chartered pursuant to this Agreement shall be upon
such terms and at such hire as the Parties may from time to time agree. If the Parties do not agree
on the space charter rate for a particular shipment before the cargo is loaded by the Party
carrying the cargo, the applicable rate shall be USD500/cbm. Billing and payment terms and
conditions shall also be as agreed between the Parties from time to time.

5.3 The Parties are authorized to discuss and agree upon arrangements for the use of
 terminals in connection with the chartering of space hereunder, including entering into exclusive,
 preferential, or cooperative working arrangements with marine terminal operators and other
 persons relating to marine terminal, stevedoring or other shoreside services. However, nothing in
 this Agreement shall authorize the Parties jointly to operate a marine terminal in the United
States, to discuss or agree upon the rates charged to their respective shipper customers, or to engage in capacity rationalization.

5.4 The Parties are authorized to exchange information on any matter within the scope of this Agreement and to reach agreement on any and all administrative and operational functions related hereto including, but not limited to, forecasting, terminal operations, stowage planning, insurance, liability, cargo claims, indemnities, the terms of their respective bills of lading, failure to perform and force majeure.

5.5 The Parties are authorized to enter into further agreements authorized by this Agreement, subject to the filing and effectiveness provisions of the Shipping Act of 1984, as amended, and implementing regulations of the Federal Maritime Commission.

**Article 6. Administration and Delegations of Authority**

6.1 This Agreement shall be administered and implemented by such meetings, decisions, memoranda, and communications between any authorized representatives of the Parties to enable them to effectuate the purposes of this Agreement.

6.2 The following individuals shall have the authority to file this Agreement and any modification to this Agreement with the Federal Maritime Commission, as well as the authority to delegate the same:

(a) Any authorized officer or representative of a Party; or

(b) Legal counsel for a Party.
Article 7. Membership and Withdrawal

7.1 New parties to this Agreement may be added only upon the unanimous consent of the Parties. The addition of any new party to this Agreement shall become effective after an amendment noticing its admission has been filed with the Federal Maritime Commission and become effective under the Shipping Act of 1984, as amended.

7.2 Any Party may withdraw from this Agreement upon ninety (90) days’ advance written notice to the other Parties, such notice to be sent to the address set forth in Article 3 Above.

7.3 The Parties will promptly notify the Federal Maritime Commission of any withdrawal pursuant to this Article or of the termination of the Agreement.

Article 8. Voting

Actions taken pursuant to, or any amendments or modifications to, this Agreement shall be by unanimous consent of the Parties.

Article 9. Effective Date, Duration and Termination

9.1 This Agreement shall go into effect on the date it becomes effective under the Shipping Act of 1984, as amended.

9.2 This Agreement shall remain in effect until terminated by unanimous consent of the Parties or until all but one Party has withdrawn.
Article 10. Applicable Law

The interpretation, construction and enforcement of this Agreement shall be governed by the laws of the United States, including the Shipping Act of 1984, as amended.
