ARTICLE 1: FULL NAME OF THE AGREEMENT

The full name of this Agreement is the MSC/Maersk Line Trans-Atlantic Space Charter Agreement (hereinafter referred to as the "Agreement").

ARTICLE 2: PURPOSE OF THE AGREEMENT

The purpose of this Agreement is to authorize MSC to charter space to Maersk Line in the Trade (as hereinafter defined).

ARTICLE 3: PARTIES TO THE AGREEMENT

The parties to the Agreement (hereinafter "Party" or "Parties") are:

1. Maersk Line A/S ("Maersk Line")
 50 Esplanaden DK-1098
 Copenhagen K
 Denmark
2. MSC Mediterranean Shipping Company S.A. ("MSC")
 12-14 Chemin Rieu
 1208 Geneva
 Switzerland

ARTICLE 4: GEOGRAPHIC SCOPE OF THE AGREEMENT

The geographic scope of this Agreement is the trade (a) from Bremerhaven, Germany and Rotterdam, the Netherlands to the Port of New York/New Jersey; and (b) from the Port of New York/New Jersey to the Bahamas (the "Trade").

ARTICLE 5: AGREEMENT AUTHORITY

5.1 (a) MSC shall charter to Maersk Line, and Maersk Line shall purchase from MSC, space on a weekly basis for the movement of the following volume/weight of cargo (whichever is used first) per sailing in the portion of the Trade defined in Article 4(a), which allocation shall include use of up to the indicated number of reefer plugs: 700 TEUs/70 RF plugs. The Parties are authorized to discuss and agree on the terms and conditions applicable to the sale and purchase of space, including the amount of slot charter hire. Additional slots may be chartered to Maersk Line on an ad hoc basis, subject to space availability.

(b) MSC shall charter to Maersk Line, and Maersk Line shall purchase from MSC, space on a weekly basis for the movement of up to 550 empty containers per sailing in the portion of the Trade defined in Article 4(b).

5.2 (a) Maersk Line shall not sub-charter or otherwise sell any space received hereunder to any ocean common carrier without the prior written consent of MSC.

(b) Dangerous goods and out-of-gauge cargo will be accepted, subject to MSC's prior approval and on such other terms as may be agreed by the Parties from time to time.

5.3 (a) MSC shall be responsible for maintaining the sailing schedule. In the event of a delay to any vessel, it is agreed that Maersk Line's commitment to purchase slots and the sharing of any additional costs incurred in the delivery of cargo on board shall be determined solely in accordance with Article 5.3. The cost of action required to maintain the schedule such as increasing speed shall be for the account of MSC unless such delay is due to the fault of Maersk Line

(b) Where a vessel is delayed by more than 7 days, the subsequent voyage shall be deemed to have been missed. If alternative slots can be made available between normal ports of call then Maersk Line may take such slots at the normal slot charter rate. MSC may alternatively offer extra slots on later voyages. If extra

slots are taken, they will be charged at the normal slot charter rate. To the extent MSC is able to offer alternative or extra slots, MSC shall have no other liability whatsoever to Maersk Line.

(c) Subject to Article 5.3(d) below, to the extent the need to omit a port(s) has been caused by factors for which MSC, their agent(s) or sub-contractor(s) are responsible, MSC will arrange transshipment and/or on-carriage of the affected cargo to the port at which the cargo should have been discharged, provided always that MSC shall be responsible for port omissions only to the extent they are caused by the negligence, breach of this Agreement, or other fault of MSC, their agent(s) or sub-contractor(s). Notwithstanding anything herein, MSC shall not be responsible to the Maersk Line for port omissions in the following circumstances and all costs to get Maersk Line's cargo to the port at which it should have been discharged will be for the Maersk Line's account:

- (i) Berth congestion at the omitted port was anticipated to incur a delay of 48 hours or more;
- (ii) Closure of the port or incapacity to operate the vessel in the port due to bad weather, industrial action, strikes of any terminal service providers or unavailability of terminal equipment anticipated to incur a delay of 48 hours or more: or
- (iii) Save as modified by (ii) above, any lawful deviation such as saving or attempting to save life or property or any force majeure event as defined by the Parties from time to time.

(d) If port omissions to recover schedule delay are programmed for the next succeeding voyage on due notice to Maersk Line, thereby giving time for suitable planning to be undertaken to maximise the capacity on the vessel for a reduced port range, no adjustment will be made to the slot allocation in respect of an

omitted port. No port(s) can be omitted on two successive voyages without prior consultation and agreement with Maersk Line.

(e) If MSC decides to permanently change the geographical scope or rotation of the service, it shall give not less than fifteen (15) days written notice to Maersk Line and the Parties shall meet to agree on any necessary amendments to this Agreement. MSC shall have the right to revise Maersk Line's slot allocation in accordance with allocation/performance at the affected port(s).

5.4 The Parties are authorized to discuss and agree on matters relating to terminal operators and stevedores, and to reach agreement on other issues relating to the loading and/or discharge of cargo.

5.5 The Parties agree to comply with all applicable laws, rules, regulations, directives, or orders issued by any authorities that have jurisdiction in relation to the Trade and this Agreement including, but not limited to, laws and regulations requiring the provision of information to Customs or other authorities.

5.6 The Parties are authorized to discuss and agree upon such general administrative matters and other terms and conditions concerning the implementation of this Agreement as may be necessary or convenient from time to time, including, but not limited to, performance procedures and penalties; port omission arrangements; stowage planning; record-keeping; responsibility for loss of or damage to cargo and/or containers; insurance; force majeure; the handling and resolution of claims and other liabilities; indemnification; documentation and bills of lading; the treatment of hazardous and dangerous cargoes; and the monitoring and handling of and responsibility for reefer containers.

Nothing in this Agreement shall give rise to or be construed as constituting a partnership for any purpose or extent and, unless otherwise agreed, neither Party shall be deemed to be the agent of the other.

(b) The Agreement shall remain in effect for as long as the TA4 service operated under FMC Agreement No. 012293 is suspended.

9.2 Notwithstanding Article 9.1(b) above, this Agreement may be terminated pursuant to the following provisions:

(a) MSC may terminate this Agreement with immediate effect in default of payment of an undisputed invoice more than 30 days after the invoice payment date agreed by the Parties.

(b) Should Maersk Line start a parallel service or buy slots from

another carrier within the Trade without the prior written agreement of MSC, MSC will have the right to terminate this Agreement on the expiry of 30 days written notice, at its sole discretion.

(c) If at any time during the term of this Agreement a Party is dissolved, or becomes insolvent or fails to pay its debts as they become due, or becomes subject to any form of insolvency, liquidation or bankruptcy procedure or takes any action in furtherance of the same (other than for the purpose of a consolidation, reconstruction or amalgamation previously approved in writing by the other Party), the other Party may give notice to the affected Party terminating with immediate effect or suspending for such period as the other Party, in its sole discretion deems appropriate, this Agreement or any part thereof.

(d) In case the ownership or shareholding of a Party is modified in a way altering the relevant Party's financial control or their material ownership, the other Party, if it judges in good faith that such modification is likely to jeopardize the Agreement's implementation and performance and/or to be likely to prejudice the cohesion and or viability of this Agreement, shall be entitled to terminate the present Agreement on one (1) months prior written notice which notice must be given within three (3) months of the judging Party being advised of the change of ownership or shareholding.

(e) Either Party may terminate this Agreement by giving not less than three (3) months' prior written notice; provided, however, that such notice may not become effective prior to December 29, 2016.

10.2 Notwithstanding the above any dispute where the claim or counterclaim does not exceed US\$100,000 shall be referred to arbitration under the LMAA Small Claims Procedure

10.3 Either Party may at any time call for mediation of a dispute under the auspices of the LMAA. Unless agreed such mediation shall not otherwise interfere with or affect anything else including the time bars and Court procedure. If a Party calls for mediation and such is refused, the Party calling for mediation shall be entitled to bring that refusal to the attention of the Court.
