Should volumes and projections warrant, the Parties will use their best efforts to agree on a plan to accommodate up to 100 plugs per sailing and to increase the 50 plugs committed to on a used or unused basis to a higher number of plugs to be provided on the same basis. The changes authorized in this Article 5.1(b) may be made without further amendment to this Agreement.

5.9 Each Party shall retain its separate identity and shall have separate sales, pricing and marketing functions. Each Party shall issue its own bills of lading and handle its own claims. Nothing in this Agreement shall give rise to or be construed as constituting a partnership for any purpose or extent and, unless otherwise agreed, neither Party shall be deemed to be the agent of the other.

- (a) any authorized officer of each of the Parties; and
- (b) legal counsel for each of the Parties.

ARTICLE 7:            MEMBERSHIP AND RESIGNATION

7.1 New Parties to this Agreement may be added only upon unanimous

consent. The addition of any new Party to this Agreement shall become effective after an amendment noticing its admission has been filed with the Federal Maritime Commission and become effective under the Shipping Act of 1984, as amended.

7.2 Any Party may withdraw from this Agreement in accordance with the provisions of Article 9 hereof.

ARTICLE 8:            VOTING

Except as otherwise provided herein, actions taken pursuant to, or any amendment of, this Agreement shall be by mutual consent of the Parties.

ARTICLE 9:            DURATION AND TERMINATION OF AGREEMENT

9.1 (a) This Agreement shall enter into effect on the date it becomes effective under the Shipping Act of 1984, as amended, and shall commence as of that date or such later date as the Parties may agree.

(b) The Agreement shall remain in effect for a minimum period of 6 months from commencement, with a minimum notice of termination from either Party of 3 months, such notice not to be given prior to 3 months after the effective date of the Agreement.

9.2 Notwithstanding Article 9.1(b) above, this Agreement may be terminated pursuant to the following provisions:

(a) If at any time during the term hereof there is a change in control of a Party, and the other Party is of the opinion, arrived at in good faith, that such change is

likely to materially prejudice the cohesion or viability of the Agreement, then the other Party may, within 3 months of becoming aware of such change, give not less than one month's notice in writing terminating this Agreement.

(b) If at any time during the term hereof either Party is dissolved, becomes insolvent or fails to pay its debts as they become due, make a general assignment, arrangement or composition with, or for the benefit of its creditors, has a winding-up order made against it or enters into liquidation whether voluntarily or compulsorily, seeks or becomes the subject of the appointment of an administrator, receiver, trustee, custodian or other similar official for it or for all or substantially all of its assets and the other Party is of the opinion that such event or occurrence is or may be materially detrimental to this Agreement or sums that may be owed (other than those that would be considered disputed in good faith) may not be paid or have not been paid in full or that their payment may be delayed then the other Party may give notice to the affected Party terminating with immediate effect or suspending for such period as the other Party in its sole discretion deems appropriate, this Agreement or any part thereof.

9.3 Should a Party repeatedly fail to comply with the requirements described in Article 5.4 of this Agreement, the other Party may terminate this Agreement with immediate effect upon written notice.

9.4 Notwithstanding any termination in accordance with the above, the non-defaulting Party retains its right to pursue a claim against the defaulting Party for any loss and/or damage caused or arising out of such termination. Termination for cause

shall not affect any existing or accrued rights as at the date of termination and shall not relieve Crowley of the obligation to deliver Maersk Line cargo that is on board Crowley.

ARTICLE 10:            GOVERNING LAW AND DISPUTE RESOLUTION

10.1 This Agreement shall be governed by and construed in accordance with the laws of the United States of America excluding any conflicts of law principles that would direct the substantive law of another jurisdiction to apply and, to the extent that such general maritime law is inapplicable, the laws of the State of New York.

10.2 Any dispute arising out of or in connection with this Agreement shall be submitted to the United States District Court for the Southern District of New York.
