FOURTH AMENDMENT TO MARINE TERMINAL LEASE AND OPERATING AGREEMENT

This Fourth Amendment to Marine Terminal Lease and Operating Agreement ("Fourth Amendment") is made and entered into by and between:

BROWARD COUNTY,
a political subdivision of the state of Florida,
acting by and through its Board of County Commissioners,
(hereinafter referred to as "COUNTY"),

and

MEDITERRANEAN SHIPPING COMPANY S.A.
a Switzerland corporation,
authorized to transact business in the state of Florida,
(hereinafter referred to as "MSC")

WITNESSETH:

WHEREAS, COUNTY owns and has jurisdiction over the development, operation and maintenance of Port Everglades in Broward County, Florida, and

WHEREAS, MSC is a privately held shipping line company based in Geneva, Switzerland and is a leading global ocean shipping company; and

WHEREAS, COUNTY and MSC have entered into that certain Marine Terminal Lease and Operating Agreement dated June 24, 2004, First Amendment to Agreement dated December 11, 2007, Second Amendment to Agreement dated February 9, 2010 and Third Amendment to Agreement dated January 10, 2012, hereinafter collectively referred to as ("Agreement"); and

WHEREAS, MSC has elected to extend the initial term of the Agreement for the two (2) five (5) year Option Periods; and
WHEREAS, COUNTY and MSC desire to amend the Agreement to provide for revisions to the minimum guaranteed payment amounts, the per container (shipmoves) rates, land rental rates and other provisions of the Agreement, as hereinafter described, related to MSC’s exercise of the two (2) Option Periods; NOW THEREFORE,

In consideration of the mutual terms, conditions, promises, covenants and payments hereinafter set forth, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. The foregoing recitals are true and correct and incorporated herein by reference.

2. Article 5, entitled RENTALS, FEES AND CHARGES is hereby amended to read as follows:

5. RENTALS, FEES, AND CHARGES

A. PAYMENTS

The annual rental, subject to adjustment as hereinafter provided, shall be paid by MSC in twelve (12) equal monthly installments, together with all applicable sales taxes thereon, in advance and without demand, set off or deduction. Rent shall be paid on that date ("Payment Date") which is the first day of the month following the month in which the Commencement Date occurs, or on the Commencement Date if it occurs on the first day of a month. Thereafter monthly installments of rental shall be payable in advance on the 1st day of each and every month. If the Commencement Date does not occur on the first day of a month, then on the Payment Date a partial payment of rent
shall be due, which shall be an amount equal to the first monthly rental payment, prorated based on the number of calendar days occurring between the Commencement Date and the Payment Date, together with all applicable sales taxes thereon.

3) On each “Adjustment Date” (except the January 1, 2014 and January 1, 2024 Adjustment Dates, which is subject to the provisions of subparagraph [4], below), the annual rental shall be increased to an amount equal to the greater of either: (i) the product of the annual rental paid during the immediately preceding twelve month period, multiplied by the “CPI Multiplier” (as hereinafter defined); or (ii) the product of the annual rental paid during the immediately preceding twelve month period, multiplied by 1.03. The product of such multiplication shall be the amount of the annual rental payment to be made during the next succeeding twelve month period, commencing January 1. Upon determining such rental adjustment, COUNTY shall advise MSC of the new annual rental amount and the corresponding adjusted monthly installment payment of rent. In no event shall any adjusted annual rental established pursuant to this subparagraph (3) be less than the total annual rental paid during the immediate prior twelve (12) month period.

...
4) On the January 1, 2014 and January 1, 2024 Adjustment Dates, the annual rental shall be adjusted (up or down) to an amount equal to the market rent of the demised premises as determined by an appraisal as hereinafter provided. Such adjusted rental shall commence on the Adjustment Date as defined in this Section. Upon determining such rental adjustment, COUNTY shall advise MSC of the new annual rental and the new monthly installment payment of rent. The “market rent of the demised premises” is the market value of the rights of use of the leased fee, given the restrictions of this Agreement. Market rent shall be established as follows:

...6) Notwithstanding anything to the contrary herein contained, if at a future time COUNTY adopts as policy for Port Everglades (pursuant to a resolution adopted by its Board of County Commissioners), a requirement that rental adjustments shall be made on the same date for all leases, then the adjustments of rental based on appraisals and the other annual adjustments of rental shall be made in accordance with and at the uniform times established pursuant to said policy. This provision shall not adjust the appraisal Adjustment Dates of January 1, 2014 and January 1, 2024, as provided in Section 5.A.4.

...11) Effective retroactively to January 1, 2014, the computation and payment methodology for all of MSC’s annual land rental payment
obligations shall be billed by COUNTY and paid by MSC as part of the revised per container (shipmoves) rates established and subsequently adjusted pursuant to the terms of this Fourth Amendment. Any monetary credit due MSC by COUNTY, as a result of the difference between the actual land rental amount MSC paid COUNTY for the time period commencing January 1, 2014 until the date this Fourth Amendment is approved by COUNTY and the amount representing the retroactive change in annual land rental for the same period, shall be applied by COUNTY in equal monthly installments to MSC’s monthly billing over the ensuing twelve (12) months following the date this Fourth Amendment is approved by COUNTY.

32. ALTERATIONS; FIXTURES; IMPROVEMENTS AND REQUIRED APPROVALS

E. PAYMENT FOR DESIGN, ENGINEERING AND CONSTRUCTION SERVICES FOR IMPROVEMENTS TO DEMISED PREMISES; MONETARY CREDIT

COUNTY agrees to reduce MSC’s monthly payment obligations hereunder by providing MSC with a monetary credit as follows:

1) For costs and expenses relating to professional
design and engineering services, as well as construction costs relating to permanent reefer plug improvements to the demised premises. MSC shall receive a monetary credit not to exceed Six Hundred Thousand Dollars ($600,000.00). MSC shall provide COUNTY's Port Everglades Chief Executive/Port Director with copies of all its construction bid documents and bid results for his/her review, comments and approval prior to MSC's finalization of same.

2) The exact total amount of monetary credit provided to MSC shall be based on MSC's actual "Capital Expenditure" as verified by a certified statement described in subsection (iii) herein below and supported by sufficiently detailed invoices and documentation as required by COUNTY's Port Everglades Chief Executive/Port Director. A monetary credit, as set forth herein, will only be provided by COUNTY if MSC's reefer plug improvements are substantially completed prior to the start of year 14 of this Agreement.

3) "Capital Expenditure" is defined as the costs and expenses paid for services rendered and materials furnished in connection with the work and improvements specified to be eligible for the monetary credit in subsections (i) hereinabove. Payments made to independent contractors for engineering, architectural and professional consulting and construction
services in connection therewith shall be included.

4) The exact total amount of the monetary credit provided by COUNTY to MSC shall only include third party costs which are substantiated by a certified statement prepared by a certified public accountant retained by MSC at its sole expense, and shall not include any finance or interest expenses or administration, legal, supervisory, overhead or internal costs of MSC.

5) Within sixty (60) calendar days of the COUNTY’s receipt of the certified statement and the supporting documentation and invoices from MSC as required by COUNTY’s Port Everglades Chief Executive/Port Director, the COUNTY’s Port Everglades Chief Executive/Port Director shall review same and provide MSC with approval in writing, which contains the final monetary credit calculation. In the event that any dispute arises between the parties in relation to the final monetary credit calculation, the parties agree to submit the dispute to mediation. The parties further agree that their participation in mediation is a condition precedent to any party pursuing any other available remedy in relation to the dispute. Any party to the dispute may send written notice to the other party of its desire to commence mediation, and a mediation session must take place within thirty (30) calendar days after the date that such notice is sent. The
parties must jointly appoint a mutually acceptable mediator. If the parties hereto are unable to agree upon the appointment of a mediator within fourteen (14) calendar days after a party has sent notice of its desire to mediate the final monetary credit calculation dispute, any party may apply to the American Arbitration Association, or such other organization or person agreed to by the parties in writing, for appointment of a mediator. It is the intent of the parties hereto that the mediation session be conducted within the thirty (30) calendar day period hereinabove provided. The parties further agree to bear their own respective costs and expenses of the mediation, including costs incurred by a party for representation by legal counsel at the mediation. The cost of the mediator shall be borne equally by the parties. Mediation shall be held in Broward County, Florida. The total monetary credit amount (derived from the final monetary credit calculation) shall be provided to MSC in twelve (12) equal monthly installments, commencing on the first day of the month following the date the final monetary credit calculation is mutually agreed to by the parties hereto.

In the event MSC elects early termination of this Agreement prior to its expiration, COUNTY's monetary credit obligation to MSC hereunder shall cease immediately upon the date that MSC's notice of termination is provided to COUNTY. Accordingly, COUNTY's monetary
credit obligation hereunder is not a continuing or surviving obligation under the terms of this Agreement.

6. Article 38, entitled MISCELLANEOUS, is hereby amended to read as follows:

Further, MSC shall remain liable for its payments of annual rental and MGP payments due over the thirty-six (36) month period, in accordance with the terms and conditions of this Agreement.
