5.1 Under this Agreement, the Parties may agree on the quantity of charter space to be used by either Party on an ad-hoc (as needed) basis up to 5,000 CEU (car equivalent units) per vessel for each shipment, on vessels owned or chartered by the other Party, on such terms and conditions as the Parties may agree. To facilitate efficient operations under this Agreement, the Parties may discuss and agree upon: the capacity and features of the vessels; the schedule and selection of the ports of loading and discharging; space requirements of one Party and the availability of space in vessels owned or chartered by the other Party; the place and timing of the provisions of space; procedures for booking space, for documentation, for special cargo handling instructions or requirements; and for other administrative matters relating to chartering and transportation provided under this Agreement.

5.2 Compensation for any space chartered pursuant to this Agreement shall be upon such terms and at such hire as the Parties may from time to time agree. Billing and payment terms and conditions shall also be as agreed between the Parties from time to time.

5.3 The parties may discuss and agree upon such general administrative matters and other terms and conditions concerning the implementation of this Agreement as may be necessary or convenient from time to time, including, but not limited to, their respective rights, change in ownership, insolvency, performance procedures and penalties, procedures for allocating space, forecasting, terminal operations, stowage planning, schedule adjustments,

ARTICLE 10: FORCE MAJEURE

10.2 Any party claiming an event beyond its reasonable control shall exercise reasonable endeavors to remedy the consequences of such event. Upon the termination of such event causing a party's failure to perform its obligations under this Agreement, such party shall as soon as possible resume its performance of its obligations according to the terms and conditions of this Agreement.
