5.1 Under this Agreement, the Parties may each charter space on vessels owned or chartered by the Parties, on such terms and conditions as the Parties may agree. To facilitate efficient operations under this Agreement, the Parties may discuss and agree upon: the capacity and features of the vessels; the schedule and selection of ports of loading and discharge; space requirements and the availability of space on vessels owned or chartered by the Parties; the place and timing of the provisions of space; procedures for booking space, for documentation, for special cargo handling instructions or requirements; and for any other administrative matters relating to chartering and operations under this Agreement.

5.2 Compensation for any space chartered pursuant to this Agreement shall be upon such terms and at such hire as the Parties may from time to time agree. Billing and payment terms and conditions shall also be as agreed between the Parties from time to time.

5.3 The Parties may discuss and agree upon the terminal(s) to be called by the vessels operated hereunder as well as the stevedore(s) that will service such vessels, and/or the volume of cargo to be handled by such terminals or stevedores. In furtherance of the foregoing, the Parties are authorized to discuss, exchange information, and/or coordinate negotiations with marine terminal operators or stevedores relating to operational matters such as port schedules and berthing window; availability of port facilities, equipment and services; contract duration; adequacy of throughput; and the procedures of the interchange of operational data in a legally compliant matter. Upon giving notice of a claim under SMA rules, the claimant shall nominate an arbitrator from the SMA roster to act as the sole arbitrator and simultaneously request the respondent's agreement. Failing a response by the respondent within ten (10) days of this initial nomination, the arbitrator so nominated shall become the sole arbitrator. The arbitrator shall promptly submit his/her disclosure statement to the parties, as required under Section 9 of the standard SMA Rules. If the respondent does not agree to the nominated arbitrator as sole arbitrator, the respondent shall propose three other persons from the SMA roster to serve as sole arbitrator. Failing agreement on a sole arbitrator, either party may request that the President of the SMA appoint the sole arbitrator. This appointment shall be binding upon the parties, and the arbitration shall proceed under SMA Rules. The arbitrator's award may be confirmed in any court of competent jurisdiction and shall be enforceable under the United Nations Convention on the Recognition and Enforcement of Arbitral Awards of June 10, 1958. The award to be rendered shall be final and binding upon both parties hereto. The prevailing party shall be awarded its attorney's fees, costs and interest from the date of claim.
