and understood that any standard developed or agreed upon under the authority of this Agreement may be used in trades other than those involving the foreign commerce of the United States.

ARTICLE 5: AGREEMENT AUTHORITY

5.1 (a) The Active Members are authorized to form, own, operate, and dissolve the Digital Container Shipping Association ("DCSA") as a separate legal entity under Dutch law to carry out the authorities set forth herein, and are authorized to discuss and agree on all aspects of the structure, authority and operation, and dissolution of DCSA, including capitalization, funding of ongoing operations and projects, allocation of costs, membership dues and assessments, payment terms for amounts owed to the organization, the rules and procedures for determining which projects the group will undertake, ownership, administration, staffing, and facilities of DCSA. The Active Members are authorized to cause DCSA to contract with employees and third parties such as vendors, software developers, or consultants.

(b) The corporate documents creating and/or governing the DCSA may include provisions dealing with the rights (including intellectual property rights), liabilities and indemnities among the Parties, and between the Parties and others.

The Parties are authorized to maintain and revise such products, standards, and services as they may agree from time to time. (c) meet with shippers, logistics providers, operators of other modes of transportation, the owners or operators of terminals, inland depots, and other facilities, vendors, software and
hardware developers, trade and other associations, consultants, experts, and government officials to discuss, agree upon and work collaboratively with any of the foregoing with respect to matters within the scope of Article 5.2; provided, however, that any such non-regulated entity's participation in activities under this Agreement does not bring it under the Commission's jurisdiction, nor does it confer antitrust immunity on the non-regulated entity under the Shipping Act; provided further, that the participation of such non-regulated entities in activities under the Agreement shall not affect the regulatory jurisdiction of the Commission or the antitrust immunity conferred by the Shipping Act on Parties for activities under this Agreement.¹

5.3 Two or more Parties may discuss matters within the scope of Article 5.2 in order to further the purposes of Agreement; provided, however, that no action may be taken on any matters within the scope of Article 5.2 except in accordance with applicable voting procedures.

5.4 Participants that are not Parties may be included in some or all of the activities authorized under Article 5.2 under such circumstances and conditions as the GA may agree from time to time.

5.5 This Agreement is intended to permit the Parties to discuss and agree upon a variety of matters relating to the development and harmonization of information technologies, products, standards, and services. While the Parties intend to limit their discussions and agreements to matters of an operational nature, it is recognized that certain agreements reached hereunder may impact

¹ The Parties understand that pursuant to 46 U.S.C. 40307(b)(1), this authority does not provide the Parties hereto with immunity from the U.S. antitrust laws with respect to any agreement with or among air carriers, rail carriers, motor carriers, or common carriers by water relating to transportation within the United States.
commercial terms. Notwithstanding the foregoing, this Agreement does not provide authority for the Parties to discuss or agree upon rates to be charged to shippers for transport services or other terms and conditions of ocean or intermodal transportation (other than those incidentally impacted by the discussions/agreements authorized hereunder). Furthermore, nothing in this Article 5 shall be construed as authorizing the Parties to violate the proscriptions of Section 10(b)(14) of the U.S. Shipping Act of 1984, as amended (the “Shipping Act”) (46 U.S.C. § 41103(a)) having to do with the unauthorized exchange of certain confidential business information relating to shippers, consignees, and common carriers or the antitrust laws of any jurisdiction to which the association may be subject.

5.6 The Parties may establish such annual membership fees as may be recommended by the Management Board and approved by the General Assembly.
ARTICLE 6: OFFICIALS OF THE AGREEMENT AND DELEGATIONS OF AUTHORITY

6.1 The DCSA shall be governed by a General Assembly (“GA”) comprised of the Active Members, each represented by one representative. The activities of the GA shall be conducted in accordance with Appendix B hereto.

6.2 The GA shall from time to time elect a Board of Supervisory Directors. The Board of Supervisory Directors may further elect its Chairman and Vice Chairman. The activities of the Board of Supervisory Directors shall be conducted in accordance with Appendix C hereto.

6.3 The GA shall, from time to time, appoint a Board of Managing Directors to exercise direction and control over the day-to-day business of the DCSA. The duties of the Board of Managing Directors shall be as set forth in Appendix D hereto.

6.4 The procedures governing the performance of projects to be undertaken by the DCSA are set forth in Appendix E.

6.5 In the event the governing corporate documents of DCSA are amended in a manner that creates a conflict or discrepancy with the terms of this Agreement, such conflict or discrepancy shall be resolved by the filing of an amendment to the Agreement reflecting the change to the governing corporate document(s). All other amendments to the Agreement require the unanimous consent of the Active Members.
6.6 The following persons shall have authority on behalf of a Party to sign and file this Agreement, any subsequent modifications thereto, and any supporting information with the Federal Maritime Commission (the “Commission”) or any other governmental entities with jurisdiction over this Agreement and to respond to any requests for information from the Commission, and such persons are also authorized to delegate such authority:

1. A designated senior executive of each Party; or

2. Legal counsel for the Agreement.

The Parties hereby consent to and authorize the filing by counsel of amendments to this Agreement which have received the unanimous consent of the Active Members.

ARTICLE 7: ACTIVE MEMBERSHIP, PARTICIPATION, WITHDRAWAL, AND EXPULSION

7.1 Entities that qualify as ocean common carriers within the meaning of the Shipping Act and that commit to be represented in the GA by an employee holding an appointment at the level of Chief Information Officer or equivalent are eligible to become active members of the DCSA (“Active Members”). Active Members shall also be Parties to this Agreement.

7.2 Entities that are ineligible to become Active Members pursuant to Article 7.1, may, subject to the approval of the GA, become participants in the activities undertaken by the DCSA (“Participants”). Participants shall have no right to vote on DCSA matters.

7.3 Participants that are regulated by the Commission (“Regulated Participants”) shall become Parties to this Agreement. Participants that are not regulated by the Commission will
not become Parties to this Agreement, provided, however, that any such non-regulated entity's participation in activities under this Agreement does not bring it under the Commission's jurisdiction, nor does it confer antitrust immunity on the non-regulated entity under the Shipping Act; provided further, that the participation of such non-regulated entities in activities under the Agreement shall not affect the regulatory jurisdiction of the Commission or the antitrust immunity conferred by the Shipping Act on Parties for activities under this Agreement.

7.4 The procedures for admission as an Active Member or Participant are set forth in Appendix F. Membership of Active Members and Regulated Participants in this Agreement shall be subject to the filing and effectiveness of an appropriate amendment hereto.

7.5 The procedures for withdrawal by and expulsion of a Party are set forth in Appendix F.

**ARTICLE 8: DURATION AND TERMINATION**

8.1 Subject to Articles 8.1 and 8.2, this Agreement shall continue in effect indefinitely.

8.2 The Agreement shall terminate upon completion of the liquidation of the DCSA under Dutch Law.

8.3 The DCSA shall be terminated by resolution of a GA, approved in writing by two-thirds of all the Active Members, which resolution shall set the effective date for dissolution and provide for the disbursement of any net remaining assets.
ARTICLE 9: APPLICABLE LAW AND DISPUTE RESOLUTION

9.1 This Agreement is to be governed by and construed in accordance with the law of the Netherlands; provided, however, that nothing herein shall relieve the Parties of their obligation to comply with the Shipping Act.

9.2 All disputes arising out of or relating to this Agreement shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed in accordance with said Rules. The arbitration shall be held in the Netherlands. The language of the arbitration shall be English. The decision of the arbitrator or arbitrators, as applicable, shall be final and binding. Judgment on the award rendered by the arbitrator(s) may be entered by any court having jurisdiction thereof or having jurisdiction over the relevant party or its assets.

When the application is complete, the Supervisory Board shall make a recommendation regarding the application to the GA. All applications are subject to approval of the GA. The Active Members and Participants hereby agree that prior to approval by the GA, this Agreement shall be amended to add the applicant as an Active Member or Regulated Participant, as appropriate.

B. Withdrawal

1. An Active Member or Participant may withdraw at any time by giving not less than three (3) months’ written notice prior to the desired date of resignation to the GA. The withdrawal shall take effect at such date as the withdrawing Active Member or Participant shall have fulfilled all its financial obligations originating during the time of membership/participation. It shall, however, not be bound by any new financial obligations to DCSA approved by the GA after the date of the notice of resignation and, upon suspension by the Management Board, shall cease to have all voting rights at the GA held after the date of the notice of resignation. An Active Member or Regulated Participant’s resignation from the DCSA shall also constitute withdrawal as a Party from this Agreement.

2. Notwithstanding Section B.1. of this Appendix F, an Active Member may nevertheless withdraw with effect as of the end of the financial year of DCSA following the year in which the withdrawal application was filed or, with immediate effect, if it cannot be reasonably required from such Active Member to continue his membership.

Notwithstanding any such voluntary suspension, an Active Member or Regulated Participant shall remain a Party to this Agreement until such time as the Active Member or Regulated Participant withdraws or is terminated.

E. Limitation

1. Any Active Member or Participant in arrears with the payment of the financial obligations in the amount of more than EUR 3,000 for a period of more than ninety (90) days shall be placed in limitation by the Management Board and lose all rights and privileges of membership or participation during the period that the limitation is in effect, unless the Supervisory Board has agreed to alternative financial arrangements.
