Subject: Docket 19-05, Demurrage & Detention Comments
Date: Friday, September 13, 2019 12:39:06 PM

Madam Secretary, the AgTC is requesting additional time to Comment. We request a modest extension, October 31, 2019

This Docket is one of the most important the FMC has initiated in recent years, impacting the entire international maritime transportation supply chain, and all participants both here in the US and overseas. As such US export community requires additional time to marshal constructive comments for the Commission's consideration. There are many companies and organizations which support this extension request.

Thank you.

Peter
