DOCKET NO. 21-11

Served: December 29, 2021

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge*.

ORDER GRANTING EXTENSION OF TIME TO FILE ANSWER

On December 23, 2021, Respondents filed a request for an eleven-day extension of time to file their answer due to the unavailability of certain personnel during the Christmas/New Year holiday period. Respondents state that the modest extension should not adversely impact the schedule of this proceeding and that Complainant has no objections to the requested extension.

Good cause having been stated, it is hereby ordered that Respondents' motion seeking an extension of time to file a responsive pleading be **GRANTED**. Respondents' responsive pleading should be filed by January 18, 2022.
