**ORDER GRANTING EXTENSION TO RESPOND TO DISCOVERY**

On June 27, 2022, the parties filed a joint motion requesting an extension of time to serve objections and responses to each other's initial written discovery requests and to begin to notice depositions. The parties state that they have reached an agreement in principle to settle this proceeding and are focusing their efforts on finalizing the settlement agreement. Motion at 1. The parties request an extension from July 11, 2022, to July 25, 2022.

Good cause having been stated for the brief extension, the request is approved. If the parties reach a settlement, they should file a motion requesting approval with a copy of the settlement agreement. If the parties do not reach a settlement, they should file a joint motion with a proposal addressing the other deadlines in the proceeding that permits an initial decision to be issued within the time frame provided by the Commission.
