FEDERAL MARITIME COMMISSION**

Globerunners, Incorporated

Complainant,

v.

Docket No. 22-27

Hoyer Global (USA), Inc.

Respondent.

**JOINT MOTION FOR ENLARGEMENT OF TIME TO FILE BRIEF**

Pursuant to Rules 502.215, 502.102, and 502.69 of the Commission’s Rules of Practice and Procedure (46 C.F.R. §§ 502.215, 502.102, 502.69 and 502.71) Complainant Globerunners, Incorporated (“Globerunners”) and Respondent Hoyer Global (USA), Inc. (“Hoyer”) jointly move the Federal Maritime Commission to enlarge the time for Globerunners to file its opening brief by 6 days until June 14, 2023. Globerunners and Hoyer have good cause for an enlargement because the parties are very close to settling this matter.

Rule 502.102 permits the extension of time to file documents “upon a showing of good cause.” Good cause exists because of the pending settlement, which the parties have been negotiating since April 26, 2023. Since this time, the parties have diligently pursued serious settlement discussions. While this motion is filed within seven days of the filing deadline, we did not file sooner because we believed that an agreement could be reached prior to the June 8, 2023 deadline to file our opening brief. The parties are in agreement that good cause exists for this motion because both parties are committed to diligently continuing settlement discussions and believe that settlement is possible in the coming days.
