**RESPONDENTS' MOTION
FOR EXTENSION OF TIME TO FILE ANSWER**

Respondents Mediterranean Shipping Company S.A. and MSC Mediterranean Shipping Company (USA) Inc. (collectively, "Respondents") request, under 46 C.F.R. §502.69, that the deadline for filing an answer in this proceeding be extended from February 6, 2024, to March 8, 2024.

This extension is needed to allow Respondents to locate documents and other information necessary to support Respondents' defenses. Given that the claim refers to invoice issued up to three years ago and that a substantial number of supporting documentation might be located overseas, Respondents respectfully submits that a four (4) week extension is reasonable under the circumstances.

We have consulted with counsel for the Complainant, as required by 46 C.F.R. §502.71, and have received authorization to represent that counsel for the Complainant consents to this request for extension.

Respondents therefore respectfully request that their motion to extend the deadline for filing an answer be granted.

Respectfully submitted,
