The Commission has received OMB approval for most of the information collections required by these orders. At a later date the Commission plans to submit additional revisions for OMB review to address other reforms adopted in the orders (e.g., 47 CFR 54.313(a)(11)). The revision proposed here contains information collection requirements already reviewed and approved by OMB. Specifically, the Commission proposes to merge the existing universal service information collection requirements from OMB Control No. 3060–1188 into this control number. The Commission proposes to add FCC Form 505, currently approved under collection 3060–1188, to this information collection. There are no changes to the currently approved FCC Form 505. The Commission also proposes certain changes to FCC Form 481 and its instructions as a result of merging the information collection requirements contained in 3060–0986 and 3060–1188. These changes include revising FCC Form 481 and its instructions to incorporate the certifications and census block data collection requirements for certain recipients of Connect America Phase I incremental support that are currently approved under collection 3060–1188. The Commission also proposes to reduce the number of respondents for reporting and certification requirements related to Connect America Phase I incremental support to reflect the number of price cap carriers that actually accepted such support. Once the Commission receives OMB approval to merge the requirements contained in 3060–1188 under this control number, the Commission will discontinue 3060–1188.

I. Information Collection Requests

FMCS is seeking comments on the following information collection requests contained in FMCS agency forms.

Form Number: OMB No. 3076–0001.

Name of Form: Arbitrator’s Personal Data Questionnaire (FMCS form R–22).

Abstract: Title II of the Labor Management Relations Act of 1947 (Pub. L. 90–101) as amended in 1959 (Pub. L. 86–257) and 1974 (Pub. L. 93–360), states that it is the labor policy of the United States that “the settlement of issues between employers and employees through collective bargaining may be advanced by making available full and adequate governmental facilities for conciliation, mediation, and voluntary arbitration to aid and encourage employers and representatives of their employees to reach and maintain agreements concerning rates of pay, hours, and working conditions, and to make all reasonable efforts to settle their differences by mutual agreement reached through conferences and collective bargaining or by such methods as may be provided for in any applicable agreement for the settlement of disputes” 29 U.S.C. 201(b). Under its regulations at 29 CFR part 1404, FMCS has established policies and procedures for its arbitration function dealing with all arbitrators listed on the FMCS Roster of Arbitrators, all applicants for listing on the Roster, and all person or parties seeking to obtain from FMCS either names or panels of names of arbitrators listed on the Roster in connection with disputes which are to be submitted to arbitration or fact-finding. FMCS strives to maintain the highest quality of dispute resolution experts on its Roster. To ensure that purpose, it asks all candidates to complete an application form. The purpose of this collection is to gather information about applicants for inclusion in the Roster of Arbitrators. This collection is needed to evaluate applicants and to select among the applicants highly qualified individuals for inclusion on the Roster. Without this collection, FMCS will be unable to maintain or expand its Roster. The respondents are private citizens who make application for appointment to the Roster.

Burden: The number of respondents is approximately 100 individuals per year, which is the approximate number of individuals who request membership on the FMCS Roster.
